झारखण्ड केन्द्रीय विश्वविद्यालय
Central University of Jharkhand
(Established by an Act of Parliament of India,2009)

Ref.No: CUJ/DCSE/2026/Nov/Cyber-Awareness/269 **Date:** 20-11-2026

NOTICE

All students, faculty members, and staff are hereby informed that the **Department of Computer Science and Engineering** is organizing a **University-Level Cyber Security Awareness Programme** in accordance with the instructions received from the Government of India, Ministry of Education, Department of Higher Education, with D.O. No. **31-5/2024-S&S**.

The programme aims to promote awareness about cybersecurity and sensitize the university community towards cyber threats, online safety, and responsible use of digital technologies.

The key topics to be covered during the programme include:

1. Awareness of cyber threats, cyber frauds, and online scams.
2. Social media safety and responsible digital behaviour.
3. Street Play at university campus (Admin building, Library, Academic Building -I (Science Building), Academic Building -II (School Building), Academic Building -IV
4. Safe and secure digital payment practices.
5. Data privacy, password security, and protection of personal information.
6. Cybercrime reporting mechanisms and available support systems.
7. Best practices for ensuring a safe and secure digital environment.

The programme is intended to enhance digital awareness and equip participants with the knowledge and skills required to protect themselves against cyber threats.

All students, faculty members, and staff of the University are requested to participate actively in the programme and make it a success.

Programme Details:

- **Organized by:** Department of Computer Science and Engineering
- **Date:** 26th November ,2026; 10 AM onwards
- **Venue:** Room No. 327 DCSE

Your active participation will contribute towards building a cyber-aware, responsible, and digitally secure university community.

Head of the Department, CSE
