

Centre for Business Administration
Central University of Jharkhand

Mission Statement

Our mission is to encourage critical thinking that leads to a deeper understanding of management and develop world leaders whose ideas could change the world.

About the Centre

The Centre for Business Administration started in 2009 with a rich, absorbing 5-Year Integrated Course. The Course was designed by national experts.

The Centre for Business Administration plans to start innovative programmes, including but not limited to:

- Ph.D. programme
- Faculty research
- Executive Development Programmes

The Centre for Business Administration constantly strives to create world leaders capable of managing change and improving upon it with creative management ideas.

The Centre for Business Administration works to empower people with knowledge and skills and help them to transform that knowledge into wisdom to face the challenges of a changing world.

The 5-Year Integrated Curriculum was carefully designed by national experts keeping in mind the backgrounds and youthful aspirations of 10+2 students.

Learning methods include: case studies, study excursions, role-plays, project work in industry, Research opportunities , Faculty support, Leadership Training , Counseling, Access to joint programs, classes, and resources, Industry exposure.
