session 2024-25 onwards.

It was resolved in the meeting that the department is offering (i) 5 Years integrated B.Sc.-M.Sc. in Physics (Integrated UG-PG program) program as per National Education Policy (NEP) (ii) 2 Years M.Sc. in Physics program and (iii) Ph.D. in Physics program. The faculty members expressed consensus on the fact that with given manpower (faculty members and staff) in the department, it would be wise if the 2 years M.Sc. (Physics) program is discontinued from the academic session 2024-25 onwards so that efforts could be focused on the improvement of 5 years integrated UG-PG program. It was decided that the recommendation of the faculty members may forward to the higher authority for perusal and decision in this regard.

Board members expressed their consent on the resolution taken in the faculty meeting and recommended its onward processing for approval and necessary action by the competent authority.

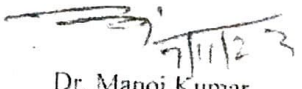

Finally, the meeting concluded with a vote of thanks to all members proposed by Dr. Bhupendra Singh.
