अधिसूचना / NOTIFICATION

It is notified for information and necessary action by all concerned that the Academic Council, in its 14th meeting held on 03.08.2016, approved in-principle to introduce Two Years Post Graduate (Master's Degree) Programme in lieu of existing Five Years Integrated Post Graduate Programme and also recommended to offer only one course in a Centre of the University from the next academic year except for Centre for Far East Languages (Chinese/Korean/Tibetan) for which specific recommendations have been made to introduce Diploma and Certificate courses in lieu of Five Years Integrated Post Graduate Programmes.

Accordingly, all the Centre Heads/Coordinators are requested to kindly restructure their courses and place the same at the respective Board of Studies and Board of School and submit the recommendations to the office of Registrar as soon as possible but not later than 15.02.2017 so that such courses could be included in the ensuing Admission Notification.

This may be accorded priority.

This issues with the approval of the Vice Chancellor.
