Revised SOP on preventive measures to be followed while conducting examinations to contain spread of COVID-19

Examination centres are frequented by large number of students (as well as their parents) and staff till the entire duration of the exam and therefore, it's vital to plan and conduct these examinations, while following specific preventive measures, as detailed in the paragraphs below.

1. Generic preventive measures

The generic measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (staff, students and parents) in these places at all times.

These include:

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks to be made mandatory.
- iii. Practice frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be made wherever feasible.
- iv. Respiratory etiquette to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest.
- vi. Spitting shall be strictly prohibited.
- vii. Installation & use of Aarogya Setu App shall be advised to all, as far as feasible.

2. All Universities/Educational Institutions/Examination Conducting Authorities/Examination centers shall specifically ensure the following arrangements:

a) Planning of examinations

- i. Only those examination centers which are outside the containment zone shall be allowed to function. Staff/examinees from containment zones shall not be permitted. Such examinees shall be given an opportunity to undertake the examination through other means or the Universities/Educational Institution/ Agency may consider appropriate measures in this regard.
- ii. Universities/ Educational Institutions/ Examination Conducting Authorities/ Examination centers may plan out the examination schedule in a staggered manner so as to avoid overcrowding at any examination center on any day.
