On

23rd November, 2012

Organizing Committee:

Patron- Prof. Darlando T. Khathing, Vice Chancellor, CUJ
Coordinator- Dr. Avijit Ghosh, Centre for Applied Physics, CUJ
Secretary- Dr. Dharmendra Singh, Centre for Applied Physics, CUJ

Important Dates: Interested candidates please intimate on or before 15th November'2012.

Contact E-mail address: avijitphy@gmail.com or dsinghiuac@gmail.com

Preamble: This program aims to provide awareness about facilities and Accelerator based research opportunity in the nuclear physics, material science, atomic and molecular physics, radiation biology and other interdisciplinary areas available at Inter University Accelerator Centre, New Delhi. Some relevant lectures will be delivered by eminent scholars.

Interested University faculty members, college teachers and research scholars from Jharkhand are welcome to attend the programme. Scientists from IUAC, New Delhi will talk about the facilities and research opportunities available at IUAC. Some IUAC users will also make short presentations about their research work.

Note: There is no registration fee for this programme and limited support for travel/accommodation will be provided if needed.
