Dear Vice Chancellor,

As you are aware, the National Education Policy (NEP) 2020 has been announced by Government of India. One of the thrust area of NEP is to improve the professional abilities of students pursuing higher education in the non-technical streams. To facilitate this, UGC has brought out guidelines on offering Apprenticeship/ Internship embedded Degree Programmes in Higher Education Institutions(HEI).

(Link: <https://drive.google.com/drive/folders/1xFQFoStIjmKAdAqkWxVKSv19Kvnf4sVn?usp=sharing>).

2. These guidelines provide an option to HEIs to design course with embedded components for Apprenticeship/ Internship in a UG degree programme in collaboration with industry or sector skill councils (SSCs) or Bureaus of Apprentice Training (BOAT). The focus is on outcome-based learning in degree programme which prepares students to acquire professional abilities.

3. Keeping in view the holistic and multidisciplinary education that the New Education Policy (NEP) 2020 strives to impart, it will be in fitness of things that your university takes active interest in the said UGC guidelines. Under the aegis of BOAT, a webinar is being organised on 24th September, 2020 wherein the Higher Education Institutions (HEIs) are encouraged to participate. BOAT will be pleased answer your questions to offer Apprenticeship/ Internship embedded degree programmes to the students.

With Regards,

Yours sincerely,

(Madhu Ranjan Kumar)

The Vice Chancellors,
 Central/ State Universities.
