About the University

The Central University of Jharkhand (CUJ) was established through the Central University Act, 2009. The University started with a vision to specially focus on relevant present age educational drives with an emphasis on research. It offers Undergraduate, Postgraduate and Doctoral programs in Schools/Departments of studies. The members of Faculty at CUJ have been awarded National and International Fellowships, project funding and recognition and are constantly contributing to the Government Sector, Public and Private Sector organizations through teaching and consulting. The students have also won accolades in national level academics and extramural activities. The permanent campus, 510 acres of lush green environment, is located at Cheri-Manatu in Ranchi.

About the Department (DCFS)

The Department of Commerce and Financial Studies (DCFS) was formally set up as a separate department, a part of the School of Management Science (SMS) of the University. It was established to offer Doctorate program in Commerce and 2 years Post-Graduate program - Master of Commerce (M.Com.) in the beginning and B.Com (Hons)

About VBUSS

Vidya Bharati Uchcha Shiksha Sansthan (VBUSS) is working in the sphere of higher education. VBUSS is a beacon of hope and enlightenment aiming at building more than just students; it aims at crafting complete and able generations that will go on to shape the future of our country and society. VBUSS's programs and activities are aimed at Integrating Bharatiya knowledge system in the education domain, become an active player in research and fostering futuristic education, conducting teacher training programmes and helps in institutional building. Efforts have been witnessed through a huge participation from intellectuals and stakeholders in the higher education domain in several such experiments as per the mandate of NEP 2020. Several such experiments in collaboration with Universities and Institutions of repute are available in the form of publications.

About the Seminar

The National Education Policy 2020 seeks to instil among learners a sense of pride in India, and its rich knowledge systems. It has laid down a roadmap for 21st century India and lays emphasis on integrating Bharatiya knowledge system towards upskilling our learners and making them future ready to develop our nation as Viswaguru. In that context, there is a need for developing appropriate Bharat centric and futuristic curriculum and textual material so that it serves as guiding light in the sphere of higher education. NEP 2020 focuses on changing the curriculum and pedagogy to support the learners' holistic development by teaching skills like establishing a scientific temper, problem-solving abilities, critical thinking, communication, creativity, ethics, digital literacy, and future skill sets, among other things. In order to comprehend the trajectory of the country's spiritual and social advancement in the context of the world, NEP 2020 implementation is focused on developing learning materials and databases based on the notion of Bharat and its knowledge systems.

As per mandate of NEP 2020, Commerce and Business Education requires transformational changes in curriculum that will foster learner's creative potential and produce new prospects for advancement based on shifting industrial and societal demands. In addition to integrating IKS, the NEP 2020 aims to develop students who will be able to meet the challenges of future with multi-disciplinary learning and skill training.

The purpose of this National Seminar is to inculcate students with Bharatiya Ethics and Business philosophy so that they are deeply rooted in Bharat. Further, the brainstorming of ideas and deliberations will focus on how to develop NEP-2020 based curriculum and content in Commerce and Business Education for Higher Education. It is expected that outcomes of national seminar would help in developing future ready curricular and content in the field of Commerce and Business as per the mandate of NEP 2020.

Quality Research papers/case studies of empirical or theoretical nature are welcome for submission. However, the papers should focus on issues and challenges of NEP-2020 mandated curricular changes. Research work which addresses direct and indirect impact of various aspects of Commerce and Business curricular groundings shall be preferred.

Objective

The purpose of this National Seminar is to exchange ideas and to engage in discussion towards developing Model Curriculum in Commerce and Business as per NEP 2020 mandate for Higher Education

- To work towards integrating salient features of NEP 2020 in the Curriculum in the field of Commerce and Business Education.
- To integrate IKS in Commerce and Business Education.
- To enable the participants to deliberate on bringing Indian Pedagogy comprising the ethical, historical and cultural dimensions.

Main Tracks
