

# Dr. Prashant Modi, PhD

## Assistant Professor

Department of Geology

School of Natural Resource Management

Central University of Jharkhand, Ranchi, India-835205

Phone: +91 8127453385

Email: [Prashant.modi@cuja.ac.in](mailto:Prashant.modi@cuja.ac.in)

[prashantm.rs.min16@itbhu.ac.in](mailto:prashantm.rs.min16@itbhu.ac.in)

## Academic Details

Course	Year	Name of the Institution
Ph.D.	2022	Indian Institute of Technology (Banaras Hindu University), India
M.Sc. (Tech.)-Geology	2016	Institute of Science, Banaras Hindu University, India
B.Sc. (Hons.)-Geology	2013	Institute of Science, Banaras Hindu University, India

**PhD Thesis Title:** *“Coal Characterization And Its Relation To Quality And Occurrence of Rare Earth Elements”* under the supervision of Prof. Aarif Jamal, Professor, Department of Mining Engineering, Indian Institute of Technology (Banaras Hindu University), India.

## Professional Experience

From	To	Designation	Organisation
November, 2022	February, 2024	Post Doctoral Fellow	Indian Institute of Technology (Indian School of Mines), Dhanbad, India

**Post Doctoral Fellow:** Worked as a Post Doctoral Fellow (N-PDF) on the project titled **“Rare Earth Elements Identification and Its Recovery From Coal and Coal Waste”** under the supervision of Prof. Aarti Kumari funded by Science and Engineering Research Board (SERB), India (Project cost in Rs. 19.5 lakhs).

## Research Interests

- Study on critical minerals and secondary resources
- Study on Rare Earth Elements (REEs) in coal and coal by-products
- Recovery of REEs from coal and coal by-products
- Characterization of basin based on coal studies

## Research Skills

- **Study on REEs in coal and coal by-products**

Characterization of REEs in coal, calcined coal, fly ash, shaly coal, overburden, inorganic bands of coal, coal rejects, coal middling, water samples of acid mine drainage (AMD) *etc.*

- **Recovery of REEs from coal and coal by-products**

Recovery of these valuable elements by physical beneficiation, chemical beneficiation particular to hydrometallurgy *etc.*

- **Geochemistry and Petrography**

Geochemical characterization of material, petrography of coal, geochemical evolution of basin based on petrography, paleo-environmental condition based on petrography and geochemical analysis.

- **Instruments Operated**

Hands-on experience with Inductively Coupled Plasma Mass Spectrometer (Agilent ICP-MS 7700 Series), Thermogravimetric Analyzer (TGA-50 M/s Shimadzu), Scanning Electron Microscope (EVO MA15 / 18, CARL ZEISS), X-ray Diffraction (Rigaku), Fourier Transform Infrared Spectroscopy (FTIR), CHNOS Analyzer and Microwave Digestion System.

- **Calculation and Packages**

Corel Draw, OriginPro, HighScore Plus, MS Office, iWork

## Awards and Academic Recognition

- Received **National Post Doctoral Fellowship (N-PDF)** from SERB, India, November 2022.
- Qualified National Level Examination **Graduate Aptitude Test in Engineering (Geology)** in 2021.
- Received **SRF** at IIT (BHU) Varanasi from CSIR, India, July 2018 – July 2021.
- Received **JRF** at IIT (BHU) Varanasi from CSIR, India, July 2016 – July 2018.

## Teaching

At the Department of Geology, SNRM, Central University of Jharkhand, India

- Coal Geology
- Petroleum Geology
- Hydrogeology
- Igneous and Metamorphic Geology

## Works in Collaboration (On-going)

- Study on REEs (Birbal Sahni Institute of Palaeosciences, Lucknow, India)
- Study on Indian coals (Wadia Institute of Himalayan Geology, Dehradun, India)
- Recovery of Rare earths (Dept. of Fuel, Minerals & Metallurgical Engg., IIT-ISM)

## Publications

## Conferences

- **Modi, P.**, Kumari, A., and Jamal, A. (2024). “ Exploration and Extraction of Rare Earths from Coal & Coal by-products via Hydrometallurgical Route” in the national seminar of Mineral Exploration & Water Resource Management: Recent trends organised by CMPDI, Ranchi.
- **Modi, P.**, and Kumari, A. (2023). “Exploration and geochemical characterization of Indian coal and coal by-products for extraction of rare earths” in the Goldschmidt 2023 Conference, Lyon, France with the **Travel Grant** (<https://doi.org/10.7185/gold2023.14587>).
- **Modi, P.**, and Kumari, A. (2023). “Extraction of rare earths from coal and coal by-product as a non traditional source” in the International conference on Management and Recycling of Metallurgical Wastes, IIT-BHU, India.
- **Modi, P.**, and Jamal, A. (2022). “Coal Quality and Its Utilization” in The Indian Mining & Engineering Journal, AKS University, Satna, Madhya Pradesh, India.
- **Modi, P.**, Jamal, A., Varshney, R., and Rahi, I.C. (2021). “Coal: A source of Rare earth elements other than thermal energy” in ICOMS-2021 of Northern Coalfields Limited (NCL), Singrauli, Madhya Pradesh, India.

## Membership of Professional Societies

- The Society for Organic Petrology (TSOP)

- European Association of Geochemistry (EAG)

## Reviewer in Journal

- Reviewed research articles for “Environmental Science and Pollution Research” by Springer, "Land Degradation & Development” by Wiley and so on.

## Declaration

I hereby declare that the above-furnished details are true to the best of my knowledge.

Thanking You,

Yours sincerely,

A handwritten signature in blue ink on a yellow background. The signature reads "Prashant Modi" with a horizontal line under "Modi".

(Dr. Prashant Modi)
