SEMINAR ON NATIONAL EDUCATION POLICY (NEP) 2020

Ranchi, 27 November, 2021

CONCEPT NOTE:

Central University of Jharkhand has been a pioneer in the region with regards to adoption and implementation the National Education Policy (NEP) - 2020. In this context, it was imperative that teachers get to understand the perspective of a stalwart who has been at the helm of the National Education Policy making. As an advisor to the Government of India, a session by Shri Amit Khare offered unparalleled insights for the faculty members.

SHRI AMIT KHARE ON NEP-2020

A seminar on National Education Policy (NEP) 2020 was organised at the Central University of Jharkhand on Saturday, the 27th of November 2021. Amit Khare, the advisor to the government of India, was the chief guest of this event where he highlighted the importance of National Education Policy.

He said that this policy is very important towards building a knowledge-based society which establishes a synergy between the global scenario and the Indian knowledge system.

He further said that its objective is to promote basic knowledge. Great emphasis has been laid on education in Indian languages for this reason. According to him, this education policy will bring a comprehensive change in the Indian education system in future through a multidisciplinary education system, internationalization of education, vocational and technology-based education and research-based knowledge.

He emphasized that with the advent of this policy, its implementation is of paramount importance. Many neighbouring countries are seeing India as a hub in the field of education. He said that the role of the Central University of Jharkhand is also important because other educational institutions of the State look at it as a mentor. On this occasion, the Vice Chancellor of Jharkhand University, Prof. Kshiti Bhushan Das while
