

PROSPECTUS

ACADEMIC SESSION 2024-25

Integrated UG-PG, Post Graduate and Ph.D. Programs

CENTRAL UNIVERSITY OF JHARKHAND

(Established by The Central Universities Act of Parliament of India in 2009)

Website : www.cuj.ac.in

CENTRAL UNIVERSITY OF JHARKHAND

The Central University of Jharkhand (CUJ) came into existence on March 01, 2009 with a vision "**to develop enlightened citizenship of a knowledge society for peace and prosperity of individuals, nation and the world, through promotion of innovation, creative endeavours, and scholarly inquiry.**" The Central University of Jharkhand is the only Central University in the state of Jharkhand. The University is offering 21 Integrated Undergraduate (UG) and Postgraduate (PG) programs under the National Education Policy-2020 (NEP-2020), 12 Postgraduate and 20 Doctoral programs in the academic session 2024-25.

MISSION

To serve as a beacon of change, through multi-disciplinary learning, for creation of knowledge community, by building a strong character and nurturing a value-based transparent work ethics, promoting creative and critical thinking for holistic development and self-sustenance for the people of India. The University seeks to achieve this objective by cultivating an environment of excellence in teaching, research and innovation in pure and applied areas of learning.

OBJECTIVES

- To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit.
- To make special provisions for integrated courses in humanities, social sciences, science and technology in its educational programs.
- To take appropriate measures for promoting innovations in teaching-learning process and interdisciplinary studies and research.
- To educate and train manpower for development of the country.
- To establish linkages with industries for promotion of science and technology.
- To pay special attention to the improvement of social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

LOCATION

The city of Ranchi is located at 23.23 N latitude and 85.23 E longitude at a height of 2140 feet above sea level. The campus of the University is located at Cheri-Manatu, Ranchi which is about 18 kilometers from Ranchi Railway Station and about 30 kilometers from Birsa Munda Airport, Ranchi. The campus is located on Ranchi ring road near ITBP campus. The campus is in rapid expansion mode under the first phase of development and includes hostels, library, academic and administrative buildings.

Vice Chancellor's Message

Welcome to Central University of Jharkhand (CUJ). You begin the next step of your academic career, and the entire University is here to support you, both personally and professionally. As one of the prestigious academic institutions, CUJ offers students with educational programmes and other activities with the aim to foster holistic development in consonance with the University's mission and vision. The University values holistic learning and integrated effort in transforming students as well as faculty members into leaders in their respective fields of interest with a focus on inclusive growth.

CUJ is equipped with qualified, experienced faculty members, officers and non-teaching staff who work with dedication and commitment. Students across the country get an opportunity to study here in a culturally diversified academic environment.

The University runs various interdisciplinary programmes in Humanities, Social Sciences, Sciences, Education and Engineering branches in Choice Based Credit System and has recently restructured itself to accommodate NEP model in its curriculum for the larger benefit of students. National and International conferences/seminars and workshops are regularly organized by different departments. The University is equipped with digital library system and conducts various student outreach and extension programmes. The Incubation Centre and Placement Cells are functioning with active participation of students and faculty members. The University has established different Centres of Excellence which cater to the need of research in Science, Engineering and Social Sciences. The research output of our students is quite exemplary in terms of publications in different reputed national and international journals. Besides Five-Year Integrated BA-MA Programmes, Doctoral programmes in 20 Departments are offered. The University envisions to embrace the emerging areas of studies. Civil Engineering with specialization in Transportation Engineering and Water Resources Engineering, Electrical Engineering with specialization in Energy Engineering and Metallurgy and Material Engineering with specialization in Nanotechnology have already been established. Further, it provides opportunities to budding talents as they can choose a range of subjects from Social Sciences and Humanities in addition to Science and Engineering subjects. Similarly, in Social Sciences and Humanities, new specializations are offered in emerging areas considering the future requirements of the job market. In addition to this, professional courses like MBA and Integrated B.Ed. programmes are also offered to cater to the human resource requirements of the country.

The infrastructure development of the University in Cheri-Manatu campus is picking up fast which facilitates new-age teaching and learning using ICT. Active participation of students and faculty members in

UGC-MOOCs courses offer an integrated learning environment with participatory teaching. Regular sports and cultural activities contribute to the growth and overall personality development of the students.

MoUs with various National and International organizations provide the students as well as faculty members with new state of art laboratory facilities for conducting research activities. The pandemic situation offered new challenges to both the students and employees alike to adopt alternative technologies and to equip themselves with new skills and knowledge. To overcome challenges, university believes in adopting humanitarian approach along with knowledge and management skills. The university promotes equity and equality with service to society.

It is our pleasure to invite you to join us in creating an excellent institution of learning that would enable students and scholars to pursue excellence in their field of choice with an open and free sense of inquiry and passion for sustainable learning and to achieve life goals through sincerity, hard work, dedication and service to the society.

Jai Hind

Prof. Kshiti Bhusan Das
Vice Chancellor

Registrar's Message

Education is a catalyst for positive change and the cornerstone for building strong, resilient and enduring communities. It not only gratifies our intellectual needs but also instills optimistic characteristics in us like veracity, confidence, unpretentiousness and diligence leading to overall personality development. Educated citizens are a blessing for the society and for the development of the nation.

Central University of Jharkhand firmly believes in the integrated development of its students. The University is running various courses like Integrated UG-PG program in different disciplines, Integrated B.Tech-M.Tech in Engineering, MBA, Commerce, B.Ed. etc.

The University has a highly dedicated team that has worked hard with full commitment to meet the vision of the Hon'ble Vice Chancellor to establish a University of distinct. I believe that the Central University of Jharkhand shall enable students to develop an analytical mind, intellectual curiosity, moral integrity, a strong sense of value and a disciplined life style that will transcend social, communal, religious and provincial prejudices. With the earnest efforts of the competent faculty, students will surely accomplish their academic goal with persistence and will be self-reliant to cope up with the pressures of modern times.

At Central University of Jharkhand, we believe in holistic development and our extra-curricular activities provide students with numerous opportunities to engage in sports, arts, clubs and societies. These activities foster teamwork, leadership skill and personal growth, complementing the academic experience.

As the Registrar of the University, I assure you that we uphold high standards of quality education, student-centeredness and a supporting learning environment. We are committed to shape all round performance of the students, who possess the courage to do hard work with perseverance to make a positive impact in their chosen fields and contribute meaningfully to the society.

On behalf of the University, I welcome all the students and individuals who wish to associate with the University.

K. Kosala Rao
Registrar

MESSAGE TO APPLICANTS FROM ADMISSION CELL

We are delighted that you are planning to pursue your education from Central University of Jharkhand (CUJ). India is fast emerging as a knowledge economy and in the next decade or so, we would emerge as a major centre for research and technology development. In this context, your decision to join the university would definitely have a significant impact on your long-term career prospects. CUJ with its Doctoral (Ph.D.), Post Graduate and Integrated UG-PG. programs, offers extensive choices of specializations. In the last few years, we have constantly been working towards making our policies governing the integrated, post-graduate and Ph.D. programs flexible and attractive to potential candidates. There are many more things we would like to share with you, once you are selected. We look forward to see you in the orientation program after being accepted for admission in one of your preferred programs of study.

With best wishes,

Admission Cell

ADMISSION COMMITTEE

Prof. Gajendra Prasad Singh

SCHOOL OF NATURAL SCIENCES

DEPARTMENT OF PHYSICS

The Department of Physics was established in 2010 under the School of Natural Sciences and is supported by DST "Fund for Improvement of S&T Infrastructure (FIST)". The department currently offers Ph.D. in different areas of physics and Integrated B. Sc.-M. Sc. in Physics which is designed as per the National Education Policy 2020 (NEP-2020). The department has vibrant research environment and conducted many research conferences, seminar and workshops to attract faculties and scientist across the nation and abroad to participate and contribute towards the growth. The alumni of this department have reached institutions/university in the county and abroad for higher study or with high profile jobs.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B.Sc. and M.Sc. in Physics
- Ph.D. in Physics

FACILITIES:

- Computational Laboratory facility with High End Workstations and Desktops.
- Special classes for preparation of entrance examinations such as CSIR/GATE/NBHM etc.
- Interactive session/doubt clearing session for students on last day of every week.
- Mentors are assigned to each student to boost their learning and research abilities.
- Special lecture series in extraordinary areas of physics.
- Training and Placement assistance

CAREER PROSPECTS AND EMPLOYABILITY:

Many of our post graduate students from the department have qualified for Ph.D. and M. Tech. programs in various institutes of national and international repute. Several students also find job offers in MNCs and national organization after passing out from here. Our students are encouraged to involve in summer internships, training programs/schools etc. We motivate our students and give them extra effort besides regular classroom teaching learning processes. We also encourage them to apply for various national level financial fellowships.

FACULTY EXCELLENCE:

Visit: <https://cuja.ac.in/DOPhy/Dept.ofphy.php>

DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established in 2009 under the School of Natural Sciences. The department started offering Integrated M.Sc. Program in Applied Mathematics from academic session 2009-10. Ph.D. degree in Mathematics was started from the academic session 2013-2014. The faculty members have research papers published in reputed national and international journals.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B.Sc. and M.Sc. in Mathematics
- Ph.D. in Mathematics

FACILITIES:

- Computer lab for teaching and research.
- Special classes for preparation of entrance examinations such as CSIR/GATE/NBHM etc.
- Interactive session /doubt clearing session for students on last day of every week.
- Mentors are assigned to each student to boost their learning and research abilities.
- Special lecture series in extraordinary areas of Mathematics.
- The syllabus and course structure of the program has been developed by well-known mathematicians of the country for boosting research as well as employability. After completion of post-graduate program, students acquire the ability to clear competitive examinations for advanced studies, research and employment.
- Training and placement assistance.

CAREER PROSPECTS AND EMPLOYABILITY:

- Higher studies in national and international institutions of repute.
- Jobs in government and private sectors.
- Having capability of self-employability and entrepreneurship.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOM/Dept.ofMath.php>

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 2010 with an objective to provide quality education in advanced areas of Chemical Sciences and to produce excellent scientific manpower to meet the needs of Universities/Institutes, research institutes and industries. The vision of the Department aligns with the University and emphasizes that learning process should be reflected in achievements and growth of the students as well as faculty members. The department is supported by DST-FIST. It has the thrust to grow as an excellent teaching and research department in the country and across the globe. The department has adopted National Education Policy-2020 (NEP-2020) courses and offers an integrated 5-years (B.Sc. and M.Sc.) program. The department encourages students to take MOOC courses from the "SWAYAM" portal to improve their subject understanding. The department is also offering Ph.D. program in areas of organic, inorganic, physical, biophysical, bioinorganic, analytical, environmental, renewable energy and material chemistry. Students in the department are monitored and evaluated through sessional tests, seminars, assignments, mid and end-semester examinations.

During the last thirteen years, the department has received several research projects from different funding agencies like DST, DBT and UGC. The department has produced good number of research scholars and the faculty members have published in high impact reputed national and international journals, book chapters and edited books. The Department has a vibrant academic environment both for faculty members and students.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B.Sc.- M.Sc. in Chemistry
- Ph.D. in Chemistry

FACILITIES:

The department has the following common facilities:

- State-of-Art Laboratories
- Central Instrumentation Facilities (CIF)

In addition, the department also has provision for students to get special facilities through equal participation in:

- Mentoring students with special needs
- Scholarships
- Information and guidance for CSIR NET examination
- Guidance for GRE and TOEFL examinations
- Participation in different webinars/conferences and seminars
- Student counselling
- Training and placement assistance

CAREER PROSPECTS AND EMPLOYABILITY:

Students completing B.Sc. or M.Sc. degree from the Department of Chemistry will have many careers to choose. The courses have been designed not only to meet the academic needs but also for industry requirements. In addition to the excellent course curriculum, the department has focused on development of soft skills such as critical thinking, problem solving and leadership qualities of students. The Department organizes career counselling session for students to make them aware about the present employment opportunities in academic institutions and industries. This helps them to search and find the best opportunities of their choice. The Department faculties continuously encourage students to continue higher studies such as Ph.D. and write national level competitive examinations to grab leadership positions with attractive salaries.

Students aspiring to join industry are encouraged and trained in different companies through internship programs. The department organizes seminars and conferences to sensitize and help aspiring students to connect with industries for placement. Further, the department also arranges communication and public speaking lectures for students and prepare them from campus to career journey in academia and industry. Many students from the department have topped in NPTEL courses. Several pass-out students of the department have joined foreign universities/institutes for higher studies. The students have also qualified national examinations such as JAM/GATE/NET-JRF and joined IISc, IITs, NITs, professional institutions, pharma and chemical industries.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOC/Dept.ofchemistry.php>

DEPARTMENT OF LIFE SCIENCES

The Department of Life Sciences, has its genesis in the year 2010, with the aim of imparting knowledge in the fields of modern biology without the boundary of animal, plant or microbial systems, fostering students to the life processes as fundamental science and imply this knowledge for creation of new scientific knowledge, development of newer life sustaining technologies and processes. The department is committed to the vision of the University "to create a world class facility in every aspect, be it research, teaching, administration or co-curricular activities to produce world class students ready to excel in any chosen field with honour and uprightness". The department is engaged in interdisciplinary research programs. The department had been the recipient of grant from Department of Biotechnology, Government of India under BUILDER Scheme (2014-2019) which provided financial assistance for development of laboratory facility.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B.Sc.-M. Sc. in Life Sciences
- Ph.D. in Life Sciences

FACILITIES:

- Teaching Laboratories and Research Laboratories for Microbiology, Plant Biology, Animal Sciences with specialization in Developmental Biology, Cancer Biology and Neuro-biology.
- Training and Placement Assistance
- General Computer Lab

CAREER PROSPECTS AND EMPLOYABILITY:

- Academic Positions
- Scientist (Biomedical/ Biological)
- Biotechnologist
- Computational Biologist
- Microbiologist
- Clinical Research Associate
- Research Assistant
- Lab Technicians

FACULTY EXCELLENCE:

Visit: <https://cuja.ac.in/dls/dlsdepartment.php>

DEPARTMENT OF STATISTICS

Statistics as a branch of study is highly applied and is rapidly transcending. Keeping the ever-growing importance of the subject, the University initiated M.Sc. in Statistics program from 2022-23. Appointment of faculty and development of independent laboratories are currently underway. Apart from its core competence the department also caters to the needs of other departments such as Life Sciences, Computer Science, Mathematics and Management.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M.A./ M.Sc. in Statistics

FACILITIES:

The Department is equipped with computer lab and various other resources and facilities that are conducive to growth and learning of students. The Department has students from diverse backgrounds under different programs and adopts innovative practices like group discussions, interactive mode of teaching, programming for data analysis and graphical presentation etc. to make classes more interesting for learners. The Department has a "mentor-mentee" provision that is implemented by allotting the students among teachers for mentoring them regularly for their holistic development. Students also undergo internship programs for fostering their employability and skill enhancement.

CAREER PROSPECTS AND EMPLOYABILITY:

The Master in Statistics program helps student to develop knowledge in diverse fields pertaining to data

analysis. It enhances their critical thinking abilities and gives them the confidence to pursue careers in different areas. They can excel as educators, data analysts, software developers, and can venture into Civil Service Examinations such as IAS, ISS, data scientists etc. Entrepreneurship is another attractive field where statisticians have a pivotal role to play.

Apart from these, they can pursue a career with acquired expertise in different domains like teaching, banking, MNCs and government sector. The Placement Cell of the University also plays an active role and strives to provide opportunities for the students to secure employment for them.

FACULTY EXCELLENCE:

Visit: <https://cuja.ac.in/DOS/DOS.php>

SCHOOL OF ENGINEERING AND TECHNOLOGY

DEPARTMENT OF ENERGY ENGINEERING

The Department of Energy Engineering (DEE), earlier known as Centre for Energy Engineering, came into existence in July 2011 under the School of Engineering and Technology. The department is committed to uphold the vision and mission of the University for the overall development of the region, and the country by emphasizing on the needs of renewable energy technologies and their applications for the common masses. The department is currently running a five-year integrated B.Tech.-M.Tech. program, as well as Ph.D. program in Energy Engineering. The department is in the process of developing a new high quality research facility in Energy Engineering under a development and innovation-friendly environment for nurturing and promoting novel ideas with intensive interaction and co-operations at local, regional, national and international levels. The establishment of the Centre of Excellence in Green and Efficient Energy Technology with funding under the FAST scheme of the Ministry of Human Resources and Development, Government of India is a step in that direction. The department has already signed/taken initiative to sign MoU with a few specialized national/international level organizations/institutions working in the field of energy.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Tech. and M. Tech. in Electrical Engineering
- Ph.D. in Energy Engineering

CAREER PROSPECTS AND EMPLOYABILITY:

Faculty member of the department continuously keep interacting with students to provide a platform to evaluate the present employment situation and help the students towards conducting better searches for future job opportunities. The students can take the opportunity for internships and jobs in a diverse field of energy engineering.

Students interested in joining the energy department have opportunities in a variety of occupational areas. After earning their bachelor's and master's degrees, they can pursue higher education and work as an assistant professor in educational institutions in both public and private sectors. They can also work as research scientists. Many students consider career in Non-governmental Organizations. Students who pursue competitive tests may become civil employees or community servants. Most and multiple number of our M. Tech. students are well placed in ministry, national and multinational companies/organizations related to renewable energy such as Ministry of New and Renewable Energy(MNRE), companies like Tata Power, Vikram Solar, Sterling and Wilson Solar Ltd, Mitsui Chemicals India, Infraline Energy, GSES, Ernst & Young, Arcadis, First Green, EKI Energy etc. ; and organizations like ISTP John Hopkins University USA, Centre for Environment and Energy Development (CEED) New Delhi, Centre for Science and Environment (CSE) New Delhi; Solar Energy Research Centre (SERC), University of Santiago, Chile; iFOREST, etc. A good number of students are doing PhD in India (IISc, IITs, and NITs) and abroad (Germany, Italy, Spain, Portugal). Two startups are also registered by our students.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOEE/DOEnergyEng..php>

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering came into existence in year 2022 after the merger of Department of Water Engineering and Management (established in 2010 as the Centre for Water Engineering and Management) and the Department of Transport Science and Technology (established in 2019).

Currently the Department of Civil Engineering is offering 5 years Integrated UG-PG programs in line with NEP 2020 and Ph.D. program in Water Resources Engineering/Transportation Engineering.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Tech. and M. Tech. in Civil and Engineering
- Ph.D. in Civil Engineering

FACILITIES:

The department intends to impart quality education and skilled training for a better understanding of the complexity of water resources development and management, and transportation engineering issues at regional, national and global levels. Students are trained to acquire knowledge and skills in tools and techniques to come up with viable and sustainable solutions within the framework of the integrated water resources management at the river basin scale. The department is looking into multi-disciplinary issues in the planning, design, implementation, operation and maintenance of irrigation projects and soil and water conservation programs. Transportation Engineering includes urban transport and transportation economics etc. The department is having the following common facilities for the students: Digital Classrooms with a sitting capacity of 60 each; Laboratories with instrumentations; Common digital platform for sharing official and academic information, seminar hall and common reading room; Computational Laboratory facilities with high-end Workstations, Desktops and computational softwares; Uninterrupted internet with Wi-Fi; Training and Placement and Career Guidance. The department has the following common Laboratories facilities for the students like Structural and M.O.S Lab, Building Material Lab, Concrete Lab, Surveying Lab, Geology Lab, Hydraulics & W.R.E. Lab, Soil Mechanics Lab, Environmental Engineering Laboratory, Transportations Lab, Irrigation and Drainage Lab, Geotechnical Lab and Fluid Mechanics Lab.

CAREER PROSPECTS AND EMPLOYABILITY:

After completion of the Integrated M. Tech., the students will be eligible to pursue their higher studies like Ph.D. from various Indian Research Organizations/Institutes/Universities like, IITs, NITs, etc, and also from foreign institutions. Placement Cell of CUJ makes every effort to invite companies for recruiting the students. After completion of B. Tech. / Integrated M. Tech., students can join industry and various government departments. Our earlier passed out students of Integrated M. Tech. in Water engineering and Management are employed in Tractable Engine Pvt. Ltd, Highlands Infotech, Atkins Pvt Ltd, RMSI Pvt. Ltd., RhDHV, IBM, Infosys Limited, SBI LIFE, Innovate Water Solutions Pvt. Ltd., RMSI PVT LTD, Noida, REPL, Noida, Aecom India and NABCONS.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOCivil/DOCivil.php>

DEPARTMENT OF METALLURGICAL AND MATERIALS ENGINEERING

The Department of Metallurgical and Materials Engineering (formerly known as Department of Nanoscience and Technology) was established in 2010 with the purpose of creating an exciting, diverse, collaborative and supportive ambience that advances materials engineering by developing fundamental understanding, adopting frontier technologies, providing education and enabling technological innovations. The Department currently offers Integrated (B.Tech.-M.Tech.) and Ph.D. programs. The department attempts to offer an inexorable curriculum added with cutting edge knowledge driven activities for both academic and professional excellence for its students. The integrated (B. Tech.-M. Tech.) program comprises various aspects of materials including their mechanical behavior, physical metallurgy, thermodynamics, kinetics etc. The focus of the integrated program is to impart excellent knowledge and training to the students who would be able to join different global metallurgical industries or research organizations as qualified engineers, researchers and

scientists. The Ph. D. program is designed to train students for nurturing innovation in the domain of materials engineering to meet the cutting-edge technological requirements.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Tech. & M. Tech. in Metallurgical and Materials Engineering
- Ph.D. in Metallurgical and Materials Engineering

FACILITIES:

Laboratories with instrumentations, Computational Laboratory facilities with high end Workstations, Desktops and computational software and career guidance.

Special facilities to the students at department level:

- Digital archives of scientific journals and other academic documents
- Simulation software Training on ABAQUS, Finite Element Analysis, TCAD for semiconductor simulation, ORCA for DFT calculation, SRIM-TRIM for ion solid interaction, CANDLE-Collection, and Analysis of Nuclear Data using Linux Network and Material Studio.
- Special classes for GATE examination preparation is also offered by the Department.

CAREER PROSPECTS AND EMPLOYABILITY:

After completion of Integrated M. Tech. program students become eligible to pursue higher studies like Ph.D. from various Indian Research Organizations/Institutes/Universities like CSIR, DRDO, IITs, NITs, IISERs, IISc, DAE, DBT etc, and also from institutions located outside the country.

After completion of the B. Tech. / Integrated M. Tech., students can join industry as scientists, researchers, junior engineers, production engineer, metallurgist, geo-technical engineer, product development manager etc.

RECRUITING COMPANIES:

TATA Steel, Steel Authority of India limited (SAIL), Jindal Steel, Vedanta, Reliance, Jaypee Group, Hindustan Copper Limited, Hindalco Industries Limited, Finolex Cables Limited, Cables Corporation of India, SAMSUNG, Philips, SCI, HAL, RINL, EIL, NMDC, BHEL, NBCC, OIL, MTNL, CONCOR, NALCO, REC, NLCIL and PFC.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOMME/Dept.ofMetallurgicalandMaterials.php>

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering, previously known as 'Department of Computer Science and Technology', was started in 2018 under the School of Natural Sciences. At present the department offers five years integrated B. Tech-M. Tech in Computer Science and Engineering with specialization in Artificial Intelligence and Machine Learning, and Ph.D. in Computer Science and Engineering. It is the department's long-term goal to be internationally recognized as a leader and center of excellence in Computer Science Engineering. It is a department with coherent activities within teaching, research, education, development and industrial cooperation alike. The research in the department is focused on major thrust areas of Computer Science and its applications with domains like Network Security, Computer Databases, Cloud Computing, Soft Computing, Commonsense Reasoning, Artificial Intelligence, Machine Learning, Deep Learning, Cognitive Robotics, Human Computer Interactions, Virtual and Augmented Reality.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Tech. and M. Tech. in Computer Science and Engineering with specialization in AI and ML

- Ph.D. in Computer Science and Engineering

FACILITIES:

- Well established computer lab
- Training and placement assistance

CAREER PROSPECTS AND EMPLOYABILITY:

Computer Science and Engineering graduates get prepared for a career in both industry and academia alike. Central University of Jharkhand has a dedicated cell allocated for catering to the placement needs of various departments including Computer Science and Engineering graduates for hiring through lateral entries and campus recruiting.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DCSE/CS&Edepartment.php>

SCHOOL OF NATURAL RESOURCE MANAGEMENT

DEPARTMENT OF GEOINFORMATICS

The Department of Geoinformatics (formerly known as Centre for Land Resource Management) was established in January 2012, under the School of Natural Resource Management with the purpose to promote research and innovation in geoinformatics, including developing new methods, tools, and applications that can support evidence-based decision-making, policy formulation, and sustainable development. The Department currently offers M.Sc. and Ph.D. programs.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M.Sc. in Geoinformatics
- Ph.D. in Geoinformatics

FACILITIES:

- Currently the department has the following common facilities for students: Classrooms with a sitting capacity of 35 each; Laboratories with instrumentations; Common digital platform for sharing official and academic information, seminar hall and common reading room; uninterrupted internet with Wi-Fi; training and placement, and career guidance.
- Digital archives of scientific journals and other academic documents.
- GIS and Image Processing softwares (Geomatica, MAPINFO, IGIS, ArcGIS, ENVI, ERDAS Imagine, AutoCAD, eCognition) and open-source softwares (Python, QGIS, Google Earth engine, R studio).
- Desktop workstation, DGPS, Handheld GPS, Mobile Mapper, Soil Moisture Meter, Chlorophyll Meter, Forestry Pro Ranger, Infrared Gun, Soil Compaction Meter, Surveying Instruments, Camera, Scanners and Plotters.
- Special support for NET examination preparation.
- Learning through exposure and field visits.

CAREER PROSPECTS AND EMPLOYABILITY:

There are several opportunities for students after successful completion of M.Sc. and Ph.D. in Geoinformatics. Students opt for higher studies in India (from IITs, NITs, IISERs, IISc, NIT, CUs) and foreign universities. Students are also placed in job with the help of University training and placement cell. After completion of M.Sc. students can join industry as scientists, researchers, JRFs/ Project Fellows/ GIS Analysts, or can pursue Ph.D. research.

RECRUITING COMPANIES:

Government Sector: SAC, ISRO, NRSC, Wildlife Institute of India, Indian Meteorological Department, Institute of Forest Productivity, Forest Survey of India, Watershed Development and Soil Conservation, Forest Department, DRDO, State Remote Sensing Centers, NATMO, and Urban Planning Institutions.

Non Government Sector: ESRI India, RMSI, Rolta India, EKI Pvt Ltd., TomTom, CEED, Cropin, Amnex, NISARGA Sathapatya Pvt Ltd., Quantum Asia, Scanpoint Geomatics Ltd, Skymap Global, RT Network Solutions, IIHS, TCS, etc.)

DEPARTMENT OF GEOLOGY

The Department of Geology came into existence in 2023 under the School of Natural Resource Management. The M.Sc. Geology program was initiated in the Department from the same year. The department strives to offer integrated UG/PG and Ph.D. programs in the domain of Geoscience in the forthcoming times.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M.Sc. in Geology

FACILITIES:

The Department of Geology plays an important role in nurturing Geoscience education in the mineral rich state of Jharkhand. Establishment of the state-of-art geological laboratories in collaboration with Central Coalfield Limited (CCL), Department of Mines and Geology, Government of Jharkhand and Atomic Mineral Division (AMD), Govt of India, are currently underway.

CAREER PROSPECTS AND EMPLOYABILITY:

Department of Geology aims to provide a comprehensive understanding of Earth and planetary materials and processes to prepare students for careers in geoscience and create sustainable solutions to Earth-related societal needs. The currently offered PG course in geology provides the background for career in geology, public policy, and environmental risk assessment.

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/department.php>

DEPARTMENT OF ENVIRONMENTAL SCIENCES

The Department of Environmental Sciences came into existence in the year 2012 and is supported by DST-FIST. The Department has emerged as a major centre for teaching, learning and research in various domains of Environmental Sciences.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Sc. and M. Sc. in Environment Sciences
- Ph.D. in Environment Sciences

FACILITIES:

The Department of Environmental Sciences is equipped with various resources and facilities that are conducive for growth and learning of students. The department has well equipped laboratories with required facilities along with basic and advanced instruments. Advanced sophisticated instrumentation facility is also available in the department to enhance the knowledge and skills in studies and research.

The Department caters to students of diverse backgrounds under different programs. The Department conducts events such as seminars, workshops and specialized talks on regular basis. Students and scholars of the department are given opportunity to be involved in organization of such events. The Department has a 'mentor-mentee' scheme that is implemented by distributing students between the teachers for mentoring them for their holistic development. The students are also exposed to the field as a part of the course curriculum. The visit includes relevant industries, and a natural ecosystem where they get the opportunity to learn and understand the subject.

CAREER PROSPECTS AND EMPLOYABILITY:

The Department of Environmental Sciences adopts an interdisciplinary approach for producing trained manpower to cater environmental issues. A degree in Environmental Sciences helps to develop empathy and knowledge of diverse issues pertaining to the subject. It enhances critical thinking abilities of students and

gives them the confidence to pursue careers in different areas. They can make their mark as scientists, teachers and environmentalist in various sectors. Every year several students qualify NET conducted by UGC, CSIR, ICAR, ASRB and GATE. They also qualify in other competitive exams. Many pass out students have made their career in academics by joining prestigious institutions and universities across the country as research scholars and scientists. Few are pursuing their higher studies in foreign universities as well.

Numerous options are available for a graduate/post-graduate/doctorate in Environmental Sciences. They can pursue career with their acquired expertise in various domains like teaching, research, consultancy in public and private sector units, central and state pollution control boards, CSIR laboratories, and even start their own business ventures. The Placement Cell of the University also plays an active role and strives to provide employability to students. The syllabus and curriculum of courses offered are in line with UGC NET examination and include contemporary environmental issues. The syllabus is regularly updated as well.

DEPARTMENT OF GEOGRAPHY

The Department of Geography is an integral unit of the School of Natural Resources Management. The department was established on 20th January 2020. The department offers Integrated B.Sc.-M.Sc. in Geography. The thrust areas of the department include advance and applied geomorphology, climatology, oceanography, coastal zone management, disaster management, landslide studies, statistical analysis, Himalayan cryosphere, and urban studies along with Photogrammetric, remote sensing, and application of geographic information systems (GIS). The department is equipped with a cartography laboratory. The department aims to promote a balanced sense of theoretical and fundamental geography and its application in various fields.

The Department of Geography envisions being a destination for practicing Geography. Working in collaboration with government, industry, and non-governmental development organizations, the department upholds a vision to apply the knowledge of Geography and technology of Geo-informatics in reducing spatial disparity and promoting equality and social justice. We aim to provide our students with excellent teaching, research, and training facilities in the field of geography that promotes and fosters individual growth among students.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B. Sc. and M. Sc. in Geography

FACILITIES:

The department has a computer lab equipped with latest instruments of surveying like electronic- Theodolite, Total Station, Global Positioning Systems (GPS), and electrical resistivity instruments for research.

CAREER PROSPECTS AND EMPLOYABILITY:

Completing a degree in geography can lead to a variety of career options.

Geography graduates are in high demand in a range of fields, including surveying, cartography, urban planning, resource management, international development, and more. The broad and flexible nature of geography ensures that there is a wide range of potential career paths available to graduates. Students can get opportunities in various public and private institutions like NATMO, DST, ICAR, NITs, and IITs as surveyor, cartographers, junior research fellows, GIS analysts, town planners, and more. Students can also pursue Ph.D. and secure employment through different central and state public service examinations.

SCHOOL OF MANAGEMENT SCIENCES

DEPARTMENT OF BUSINESS ADMINISTRATION

The Department of Business Administration was established in 2009 under the School of Management Sciences. The Department is oriented towards holistic development of students for moulding them as future leaders in their professional and personal life.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- MBA with dual specializations (Major/Minor) in Marketing Management, Human Resource Management, Finance Management and Operations Management.
- Ph.D. in Management

FACILITIES:

- Computer Laboratory
- Mentoring of Students.
- Training and Placement Assistance

CAREER PROSPECTS AND EMPLOYABILITY:

100 % training and placement assistance is provided to students for recruitment and internships. Faculty members help and assist students for their placement. The details of on-campus and off-campus placement are available on the university website at: <http://cuj.ac.in/placement.php>

FACULTY EXCELLENCE:

Visit: <https://cuj.ac.in/DOBA/DOBA.php>

DEPARTMENT OF COMMERCE AND FINANCIAL STUDIES

The Department of Commerce and Financial Studies (DCFS) was established in the year 2019. It offers Integrated B.Com-M.Com, Master of Commerce (M.Com.) and Ph.D. programs. Faculty members and scholars regularly contribute their research work in Scopus/UGC-CARE Journals and conferences organized by institutions of repute. The department aims to redefine commerce education by offering quality education and research. The courses offered aim to provide a rigorous base for teaching, research and allied business administration.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M. Com.
- Integrated B.Com-M.Com.
- Ph.D. in Commerce .

FACILITIES:

- Mentoring of Students.
- Training and Placement Assistance

CAREER PROSPECTS AND EMPLOYABILITY:

Commerce graduates have huge potential in financial sectors such as Banks, Insurance, Capital Market,

Mutual Funds etc. Many students pursue professional programs such as CA/CS/CMA which opens up managerial positions in domestic and MNCs.

SCHOOL OF MASS COMMUNICATION AND MEDIA TECHNOLOGIES

DEPARTMENT OF MASS COMMUNICATION

The Department of Mass Communication is one among the four departments started since inception of Central University of Jharkhand in 2009. It comes under the School of Mass Communication and Media Technologies.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated BA - MA in Mass Communication.
- Ph.D. in Mass Communication

FACILITIES:

The Department is establishing state-of-the-art Audio-Visual Studio and Community Radio Station in the permanent campus of Central University of Jharkhand. At present students get hands-on training in the media labs which are equipped with video cameras, still cameras, microphones, editing suits and essential media softwares.

SPECIAL FACILITIES TO STUDENTS AT DEPARTMENT LEVEL:

The Department focuses on theory as well as practice and has produced media professionals by nurturing the students through teaching, training and research:

- Special Lecture Series
- Demo Classes
- Technical Sessions
- New Media Lab and Print Media Lab
- Personality Development Sessions
- Industry Exposure and Visit
- Media Software Learning Classes
- Students profile updated on NCS and LinkedIn portals for prospective employment
- Remedial Classes

CAREER PROSPECTS AND EMPLOYABILITY:

Students get career opportunities in national as well as regional media organizations and public relation offices. Those include Economic Times, Times Now, ETV Bharat, Business Standard, India Today, NDTV Online, Prabhat Khabar, Lagatar, Powergrid, IPRD, Govt. of Jharkhand, CEED India, Piramal Foundation, Jharkhand State Livelihood Promotion Society (JSLPS) etc.

Under the International Student Exchange Program, students visit foreign universities for exposure. The Department also has collaboration with UNICEF (Jharkhand) and Information and Public Relations Department (IPRD), Govt. of Jharkhand for organizing national and state level programmes at regular intervals.

SCHOOL FOR THE STUDY OF CULTURE

DEPARTMENT OF ANTHROPOLOGY AND TRIBAL STUDIES

The Department of Anthropology and Tribal Studies under the School for the Study of Culture reflects the interdisciplinary nature of the University. Erstwhile Centre for Indigenous Culture Studies, Centre for Tribal Folklore, Language and Literature and Department of Contemporary and Tribal Customary Law have been the foundational pillars of the department. The strength of the department is to imbibe interdisciplinary framework of study for nurturing anthropological studies which are locally relevant and offered at globally accomplished academic standards.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated BA - MA in Anthropology
- Ph.D. in Anthropology and Tribal Studies

FACILITIES

- Centre for Research relating to Indigenous Knowledge and Sustainable Development (CIKSD)
- Updated Curriculum of Academic Programs
- Laboratory and Upcoming Museum

CAREER PROSPECTS AND EMPLOYABILITY:

Depending on individual's academic level, interest and goal, studying anthropology can provide a range of career and employment opportunities. A few potentially promising career paths include:

- Academia: Teaching and research in universities, colleges and schools (after/during pursuing Ph.D.)
- Jobs in Anthropological Survey of India, Tribal Research Institutes and Culture Research Institutes
- Administrative and Civil Services: UPSC/State Public Service Commissions
- Employment in Semi-Government/Central and State Public Sector Undertakings
- NGOs/Civil Society Organizations
- Research personnel in national and international agencies

DEPARTMENT OF PERFORMING ARTS

Started in June 2013 (formerly known as the Centre for Music and Performing Arts) under the School for the Study of Culture, the Department concentrates on giving training in the basic and advance concepts of Hindustani Vocal Music and Theatre Arts to make successful practitioners and researchers in the society, where live interaction can lead to new terrains of experience and intellect. The programs offered in the department integrate theory with practice, art with technology, and artists with the audience. The objective of the department is to empower students through rigorous training in new contexts with rapidly changing contemporary culture and technology.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M. P. A. (Vocal Music)

- M. P. A. (Theatre Arts)
- Ph.D. in Music
- Ph.D. in Theatre Arts

FACILITIES:

Theatre Arts :

- Black box theatre with full-fledged lighting and sound system
- Theatre design room

Vocal Music:

- Practice hall with musical instruments and sound system

CAREER PROSPECTS AND EMPLOYABILITY:

Depending on an individual's interests and area of specialization, MPA-Vocal Music program can lead to a variety of professional prospects, such as freelance performer in popular music industry as playback singer, music composer, or in the field of academics. They may be inducted as supervisor or manager of musical projects and events.

Likewise, depending on individual's interests and area of specialization, MPA-Theatre Arts students can opt for a variety of professional careers. After earning a master's degree, they can choose from a variety of fields such as art teacher, actor, director, playwright, light designer, set designer, etc., and can work in the film industry, multimedia entertainment, and production companies. This program also serves as a springboard for research.

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES

DEPARTMENT OF POLITICAL SCIENCE AND PUBLIC ADMINISTRATION

Established in 2020, the Department of Political Science and Public Administration (DPSPA) is one of the departments within the School of Humanities and Social Sciences. Since its inception the department has introduced Post Graduate Program (M.A. in Public Administration), Five Years UG-PG Program as per National Educational Policy-2020 (BA-MA in Political Science), and Ph.D. program in the discipline of Political Science and Public Administration.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated BA - MA in Political Science
- M.A. in Public Administration
- Ph.D. in Political Science and Public Administration

FACILITIES:

- Training and Placement
- Career Guidance

SPECIAL FACILITIES TO THE STUDENTS AT DEPARTMENT LEVEL:

- Extra guidance to students with special needs
- Scholarship
- Gender sensitization
- Guidance for NET/JRF Examination
- Participation in webinars and seminars
- Student Counselling

CAREER PROSPECTS AND EMPLOYABILITY:

Students aspiring to join the Department have career prospects in different domains. They have the option of going for Ph.D. to become assistant professor in educational institutions. They can also join as research scientist in research organizations. Students aspiring for competitive examinations can become civil and community servants as well. The subject also helps students to become journalists, effective leaders, public policy analysts, administrators and legal workers. Learning also provides opportunities to students in non-governmental and international organizations.

Visit: <https://cuj.ac.in/DPSPA/DPSPA.php>

DEPARTMENT OF INTERNATIONAL RELATIONS

The Department of International Relations has been in existence since 2012. The Department offers two years Master's Program in Political Science with Specialization in International Relations. The establishment of the Department provides a new institutional focus at Central University of Jharkhand for teaching and research on politics in all its dimensions; international and comparative, theoretical and empirical, abstract and practical.

The curriculum has been carefully designed which caters to the needs of students in the present times. The Department endeavors to provide employment-oriented education and skill to students in its different programs. Both the core areas of Political Science and International Relations have been incorporated in the curriculum. This Department has endeavoured to include sufficient amount of literature and modules from different regions of the globe. The engagement with politics and dynamics of international relations in area-studies such as Far-East, Africa, Middle East and Latin America is the major priority of the Department which enables a comprehensive understanding of the nuances of the subject.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- M.A. in Political Science with specialization in International Relations
- Ph.D. in International Relations

FACILITIES:

- Extra guidance to students with special needs
- Scholarship
- Gender sensitization
- Guidance for NET/JRF Examination
- Participation in webinars and seminars
- Student Counselling
- Special lecture series on contemporary themes of relevance

CAREER PROSPECTS AND EMPLOYABILITY:

The Department helps the students in setting their goals and searching their preferred jobs and higher education opportunities and prospects. Through University Training and Placement Cell, department keeps communicating students about the job availability and requirements, challenges and the way to prepare themselves. The department also encourages its students to go for higher studies (Ph.D. Research), write different competitive examinations and opt for leadership positions at different levels of governance system. Several students are pursuing their higher education in premier institutions of India and abroad like in USA, UK, Ireland, France, China, Russia and Germany.

Alumni of the department are working in various government and non-governmental sectors, such as in Education Sector, Administrative Sectors, various Think Tanks, Media houses, national and international NGOs, Banking Sector and NSDL. Apart from academic positions students also join as research scientist in research organizations. Many students explore their future in Non-governmental Organizations as well. The students aspiring for competitive examinations can also become civil and community servants.

SCHOOL OF EDUCATION

DEPARTMENT OF EDUCATION

The Department of Education (under the School of Education) was established in 2013 with Four-Year B.A.-B.Ed. and B.Sc.-B.Ed. programs. The department started to offer Two Year B. Ed. program from the academic session 2015-2016, and PhD program from the academic session 2018-2019. The department is committed to prepare competent and dedicated teachers, researchers and educationists who can justify their position in academia and research. It envisions to provide global standard education to its students/stakeholders through its quality curriculum, innovative teaching learning process and benchmark evaluation system. Faculty members of the department have good academic and research contribution at national and global levels.

PROGRAMS OF STUDY OFFERED FOR ACADEMIC YEAR 2024-25:

- Integrated B.A. - B.Ed.
- Integrated B.Sc.-B.Ed.
- B. Ed.
- Ph.D. in Education

FACILITIES:

- Conference Hall
- Library
- Auditorium
- Sports Playground
- Canteen
- ICT Resource Centre with internet facility
- Curriculum Resource Centre
- Health and Physical Education Resource Centre

CAREER PROSPECTS AND EMPLOYABILITY:

- Teaching job in central government, state government and private schools
- Research opportunities as Ph.D. research candidates
- Assistant Professor position after Ph.D. and NET
- Consultant in national and international research agencies

ADMISSION PROCEDURE FOR INTEGRATED (UG-PG) AND POSTGRADUATE PROGRAMS (Except Integrated B.Tech.-M.Tech. Programs)

Admission in Integrated UG-PG and PG programs (Except Integrated B.Tech.-M.Tech. Programs) involves the following three stages:

1. Submission of application form for Common University Entrance Test (CUET) for admission in appropriate course of Integrated or PG programs by selecting Central University of Jharkhand as desired University of choice and taking entrance test wherever applicable.
2. Registration followed by counselling at Central University of Jharkhand.
3. Submission of fees and required documents for completing the admission process.

Note: Candidates are advised to take note that any change made in the admission procedure, documents required, seat matrix, etc. will be displayed on the University website and/or admission portal, and such notifications shall be deemed to be applicable for the admission process.

A. APPLICATION FORM AND ENTRANCE TEST:

Admission in Integrated (UG-PG) and Postgraduate programs (except for Integrated B.Tech.-M.Tech.) for academic session 2024-25 at Central University of Jharkhand (CUJ) will be based on the score of CUET-2024 conducted by National Testing Agency (NTA). The candidates desirous to take admission in CUJ need to appear in CUET UG- 2024 or CUET PG-2024 as applicable. The score/marks of CUET shall be used for determining merit of candidates for admission against the number of seats announced by university for individual program under each category.

B. REGISTRATION AND COUNSELLING:

1. Prospective candidates opting for admission in programs offered by Central University of Jharkhand for the Academic Year 2024-25, must have valid score (above cut-off, if applicable) in the relevant test papers mapped for the program.
2. Eligibility criteria as specified for each program, will be strictly followed and will not be relaxed under any circumstance. Candidates must fulfill all the eligibility requirements as prescribed in each program at the time of online registration for admission at CUJ. The detailed process and link for online registration is available on university website.
3. Candidates satisfying the eligibility conditions and desirous to take admission, must participate in online registration process by paying non-refundable registration/counselling fee notified on the University website.
4. It is the sole responsibility of the candidate to ensure and confirm their eligibility at their end for admission at CUJ as per the admission notification details available on the University's website.
5. Registration fee once paid will not be refunded under any circumstance. The fee will be valid for registration up to three programs by each candidate.
6. Candidates are advised to complete the registration process within the date notified on website. The list of documents required during registration process is available at <http://cuja.ac.in/admission2024.php>.
7. Candidates who fail to register will not be considered for subsequent stages of counselling and admission process.

8. Candidate(s) must ensure that mobile no. and e-mail ID provided by him/her are valid and functional during counselling/admission period. The mobile no. and e-mail ID must be his/her own or of close family members/guardians.
9. Candidates are advised to pay the fee from their own bank account or the bank account of close family member/guardian, and it should not be from the account of others or unknown person because the refund of fee will be remitted in the same account, if any, arising out of cancellation or otherwise. It is advised to keep a copy of fee receipt either in digital or print form for future reference, if required.
10. Candidates are required to provide correct information in the registration/application form and verify the same before confirming the application and making payment of registration/application fees.
11. After confirming the data filled in application form, no changes will be allowed. Any request for alteration in application will not be considered.
12. CUJ follows reservations under all categories as per Government of India and University Grants Commission Regulations. Kindly refer to reservation rules and certificate formats for admission placed on the University website.
13. Seat allocation is an automatic process based on merit, data provided and documents submitted by the candidate, after duly following the reservation rules.

C. ADMISSION PROCEDURE

1. List of shortlisted candidates shall be displayed on the University website.
2. Candidates are required to periodically check the University website to get the latest status of short-listing and further steps of the admission process, if any.
3. Category-wise merit list shall be prepared on the basis of aggregate normalized scores or percentile obtained by the candidates in the respective paper(s) of CUET-2024 after declaration of result by NTA.
4. Selection status along with merit list and waiting list will be displayed on the University website.
5. Candidates whose name appear in the merit list, will have to report physically to the University on the specified date to participate in the admission process, failing which their candidature shall not be considered for next step.
6. After considering candidates from the merit list in Unreserved category, a separate category wise Merit List highlighting the number of seats reserved for each category as per University Grant Commission regulations/ Government of India will also be prepared. All reservation rules will be applied to prepare the final merit list and seat allotment.
7. Rule in case of 'tie' (where two or more candidates' merit score is same even in decimals) belonging to same/any category: If two or more candidates' merit score are 'tied' in final combined merit list then preference shall be given to the candidate who has scored higher marks in 'qualifying examination' amongst the two. If this also goes tie, then, elder in 'age' among those two, will be considered. If 'age' also goes tie, then the candidate having higher HSC/SSC marks among those will be considered for admission as per combined merit list.
8. Choice or preferences of program/category indicated in the registration/application form by the candidate at the time of filling online registration/application form cannot be changed at any point after submission of the registration/application form. Any request for change or modification in this regard shall not be entertained or responded to.

9. Candidates who get selected in the higher preference; their names will not be listed in the lower preference merit list.
10. Candidates who get selected in the program of their higher preference will not be on wait-lists for any other program mentioned in their lower preferences.
11. Wait List of each program will be prepared by following the same rules as applicable for preparation of merit list.
12. If candidates get selected in lower (second or third) preference in the merit list, their name will be shown in the waiting list of higher preference (first or second), if they qualify so with their aggregate normalized score for the program concerned.
13. Once moved to higher preference upon activation of waiting list, the candidate will vacate the seat in the lower preference and no request for considering their seat in the lower preference will be entertained.
14. Once an offer of admission is made, the candidate(s) is/are required to complete the offline admission process including payment of admission fee on the same day or within the scheduled date(s) for that particular round of counselling/admission/allotment. The payment of admission fee shall be collected online through their registration login portal. The candidate must submit the copy of fee payment receipt to confirm their candidateship for that program. On failure to complete the admission process including payment of fee within the scheduled date, the offer of admission shall be cancelled and the seat will be automatically allotted to the next candidate in merit.
15. The candidates must bring all original documents and three sets of photo copy of the same for verification.
16. If the candidates whose qualifying examination (10+2 or equivalent/ graduation or equivalent) is not recognized by GoI/UGC/CUJ and if the same is found at any point of time during the admission process, the application/admission will be rejected.
17. Canvassing or influencing for admission at CUJ through any means will lead to rejection of application / disqualification of candidateship.
18. Candidates selected for admission should submit original migration certificate from the University / Institution last attended at the time of registration for admission.
19. Candidates who are unable to submit migration certificate at the time of admission, shall give undertaking in the prescribed proforma to submit the same on or before the stipulated time period, failing which CUJ reserves the right to cancel their admission.
20. Candidates currently employed and selected for admission to any full-time program of study at CUJ are required to produce leaves sanction/ relieving order from their employer at the time of admission, failing which the offer of admission shall stand withdrawn/ forfeited.
21. CUJ reserves the right to get any student medically examined and admission of such candidate will be subject to fitness certification from the University medical officer or any other medical officer working in Government hospital.
22. If any discrepancy or mis-match found in the details provided in application form, documents uploaded and documents submitted, the University has the right to cancel the admission.
23. Since hostel facility is limited, allocation of hostel will be as per CUJ rules. Hostel allotment notice shall be notified separately by the University.

24. Admission will be cancelled/suspended at any stage in case of following cases:

- candidate does not fulfil the eligibility requirements,
- candidate has used fraudulent means to secure admission,
- candidate has made false or incorrect information in the application form.

Any complaint/grievance/dispute relating to admission must be filed within one month from the date of closing of admissions. All documents relating to admission of all the candidates, selected or non-selected, will be discarded after this date. Hence, the University will not be in a position to entertain any such complaint/grievance/dispute beyond this date. No refund will be made in case of duplication of application forms and deletion of application after submission and payment of application fees.

25. Any refund or fee entitled to be refunded, shall be remitted after completion of admission process as per fee refund rule of the University or UGC, whichever is applicable. The amount will be refund to the bank details provided at the time of registration.

26. In case of withdrawal of admission by any admitted student, refund of fees will be as per the following schedule:

Sl.	Timeline for Request of Admission Withdrawal to Academic Section	Percentage of Refund of Aggregate Fees*
1	15 days or more before the formally notified last date of admission	100%
2	Less than 15 days before the formally notified last date of admission	90%
3	15 days or less than after the formally notified last date of admission	80%
4	30 days or less, but more than 15 days, after the formally notified last date of admission	50%
5	More than 30 days after formally notified last date of admission	0%

* The above mentioned refund modalities may be changed/modified/regulated as per UGC/Government guideline, if any. All course fees excluding caution deposit. Caution deposit will be returned in full at any point in time.

- a. In case of (1) in the table above, a processing charge of not more than 5 % of the fees paid by the student, subject to a maximum of Rs. 2000/- shall be deducted.
- b. In normal circumstances the refund will be completed within three months from the closing date of all admission.
- c. In any circumstance, if admission will take place after commencement of class, only caution money will be refunded to those students if opting cancellation/withdrawal of admission.
- d. Students/candidates are advised to carefully preserve receipts of payments and deposits for any future reference.

27. If there is any change in the admission process/eligibility criteria, etc. of either as a whole or program wise, the same shall be notified separately. Candidates are advised to visit the University website regularly for latest details and updates.

ADMISSION IN INTEGRATED B.TECH.-M.TECH. PROGRAMS

For admission in Integrated B.Tech.-M.Tech. programs in CUJ, prospective students must appear in Joint Entrance Examination (main) (JEE-Main) being conducted by NTA.

Programs Offered in Academic Year 2024-25:

1. Integrated B. Tech-M.Tech. in Metallurgical and Materials Engineering
2. Integrated B. Tech-M.Tech. in Computer Science and Engineering
3. Integrated B. Tech-M.Tech. in Electrical Engineering
4. Integrated B. Tech-M.Tech. in Civil Engineering

Score of JEE (main) will be used for seat allocation, merit preparation and admission for academic year 2024-25 through Central Seat Allocation Board (CSAB-2024).

The University however reserves the right to amend, without any notice, any provisions stated in the admission procedure of CSAB.

ADMISSION RESERVATION POLICY

1. Reservation and Merit List Preparation:

Merit list for unreserved category (UR) seats will comprise all applicants in order of merit. It will include SC / ST / OBC-NCL / EWS applicants, irrespective of their category, if they meet the eligibility criteria of merit for UR category. No applicant will be excluded from the UR category merit list just because the applicant belongs to or has applied under SC/ST/OBC-NCL/EWS category.

Admission to UR category seats will be strictly in order of merit without excluding SC/ST/OBC-NCL/EWS applicants. Applicants seeking admission under SC/ST/OBC-NCL/EWS category will have to produce valid certificate in their own name issued by the competent authority. Please check the latest approved norms of eligibility for reservation at: <https://www.ugc.ac.in>

2. Reservation Categories for Admission in Central University of Jharkhand:

- (i) Other Backward Classes (OBC-Non-Creamy Layers): 27% of the total seats of a program
- (ii) Scheduled Castes (SC): 15% of the total seats of a program
- (iii) Scheduled Tribes (ST): 7.5% of the total seats of a program
- (iv) Economically Weaker Section (EWS): 10% of the total seats of a program
- (v) Person with Benchmark Disability (PwBD): 5% (Horizontal)

3. Competent Authorities to Issue Certificate:

The following authorities are competent to issue requisite SC/ST/OBC (Non-Creamy Layer)/EWS certificate:

- District Magistrate/Additional District Magistrate/Collector, Deputy Commissioner
- Additional Deputy Commissioner
- 1st Class Stipendiary Magistrate
- Sub-Divisional Magistrate
- Taluka Magistrate

- Executive Magistrate
- Extra Assistant Commissioner (not below the rank of 1st class Stipendiary Magistrate)
- Chief Presidency Magistrate
- Additional Chief Presidency Magistrate
- Presidency Magistrate
- Tehsildar
- Sub-Divisional Officer of the area where the Applicant and/or his/her family normally resides

Applicants claiming reservation benefit under SC/ST/OBC (Non-Creamy Layer)/EWS categories should submit valid certificate issued by any of the above listed authorities in the Government of India (GOI) prescribed format. Any modification in reservation rules by the Government of India shall be applicable mutatis-mutandis. Any request for extension of date for providing category certificate (SC/ST/OBC (Non-Creamy Layer)/EWS) shall NOT be entertained.

4. Reservation for applicants claiming to be under GEN-EWS category:

- (i) The Govt. of India vide MHRD OM No. F. No.: 12-4/2019-U1 dated 17th January 2019 and MSJE OM No. 20013/01/2018-BC-II dated 17th January 2019 for enabling the provision of reservation for Economically Weaker Sections (EWSs) who are not covered under the existing scheme of reservation for the Scheduled Castes (SC), the Scheduled Tribes (ST) and the Socially and Educationally Backward Classes (SEBC), has decided to provide reservation in admission to educational institutes subject to a maximum of ten percent (10%) of total seats in each program. For availing this reservation, such applicants need to produce valid certificate from the authorized competent authority. For further details applicants can visit: <https://dopt.gov.in/sites/default/files/ews28ft.PDF>
- (ii) GEN-EWS certificate (as per Annexure-IA) needs to be uploaded during online registration for admission at Central University of Jharkhand which must be issued on or after 1st April 2024 in consonance with the latest guidelines of the Government of India. If any GEN-EWS candidate fails to submit the GEN-EWS certificate issued on or after 1st April 2024 at the time of online registration, the candidate has to upload a declaration [Declaration in Lieu of Gen-EWS Certificate at Annexure-IB] or the acknowledgement slip of the Gen-EWS Certificate application applied to the office of the competent authority to that effect (Reference: No.F.No.20013/01/2018-BC-II). Certificate issued by authorized official before 1st April 2024 shall not be entertained.
- (iii) In case of non-production of certificate on the day of counselling, the applicant shall be treated under unreserved category (UR) and the next applicant in the merit list, with valid certificate, will be considered for admission in this category.

5. Reservation for applicants claiming to be under OBC-NCL category:

- (i) Twenty seven percent (27%) seats shall be reserved for Other Backward Classes (Non-Creamy layer), Central list applicants.
- (ii) OBC-NCL certificate (as per Annexure-IIA) needs to be uploaded during online registration for admission at Central University of Jharkhand which must be issued in consonance with the latest guidelines of Government of India. If any OBC-NCL candidate fails to upload the certificate issued on or after 1st April 2024 at the time of online registration, the candidate has to upload a declaration [Declaration in Lieu of OBC-NCL Certificate as per Annexure-IIB] or the acknowledgement slip of the OBC-NCL Certificate application applied to the office of the competent authority to that effect.

Applicants are advised to visit: <http://www.ncbc.nic.in> for latest guidelines and updates on the Central List of state-wise OBCs. Certificate issued by non-competent authority or issued before the above mentioned date shall not be accepted.

- (iii) At the time of offering admission to an OBC applicant, the admission office of the University will ensure that the caste is included in the Central List of OBCs notified by the Ministry of Social Justice and Empowerment on the recommendations of the National Commission for Backward Classes available at the website <http://ncbc.nic.in/backward-classes/index.html>. The certificate must also mention the non-creamy layer status of the applicant as per DOPT Office Memorandum No. 36012/22/93-Estt. (SCT) dated 15.11.1993.
- (iv) In case of non-production of caste certificate on the day of counselling, the applicant shall be treated under unreserved category (UR) and the next applicant in merit list, with valid caste certificate, shall be considered for admission under the OBC category.

6. Reservation for applicants claiming to be under SC or ST category:

- (i) 22.5% of the total numbers of seats is reserved for applicants belonging to Scheduled Caste and Scheduled Tribe [15% for Scheduled Caste (SC) and 7.5% for Scheduled Tribes (ST)]. Seats reserved for SC/ST shall be filled by the SC/ST applicants only. However, in case of non-availability of eligible applicants, the reserved seats may be interchanged between SC/ ST.
- (ii) The SC/ST applicants, in order to claim reservation benefit need to upload certificate (as per Annexure-III), in accordance with the latest guidelines of the Government of India, during online registration. Certificate issued only by authorized officials shall be considered. If any SC/ST applicant fails to upload certificate at the time of online registration, he/she will have to upload a declaration [Declaration in Lieu of SC/ST Certificate as per Annexure-IIIB] or the acknowledgement slip of the SC/ ST certificate application applied to the office of the competent authority to that effect. Applicants are advised to visit: <https://ncst.nic.in> and <http://ncsc.nic.in> for latest guidelines and updates in this regard.
- (iii) In case of non-production of valid certificate on the day of counselling, the applicant shall be treated in unreserved category and the next applicant in merit list with valid certificate, shall be considered for admission under that particular category.

7. Reservation for Applicants with Benchmark Disability Differently Aabled (V.I. / O.H. / H.I.)

- (i) As per Govt. of India norms, five percent (5%) horizontal reservation is provisioned for persons with benchmark disabilities in central educational institutions. For availing this reservation, such applicants need to produce medical certificate from the authorized medical officer. Such applicants will get horizontal entry in the respective category seats, if applicable.
- (ii) Special care must be taken by applicants that their certificate bears their photograph and the disability percentage should not be less than 40 %.
- (iii) In case of non-production of certificate, as per the above-mentioned parameters on the date of counselling, the applicant shall be treated as any other regular applicant and the next applicant in the merit list, with valid disability certificate, shall be considered for admission under PwBD category.
- (iv) Any request for extension of date for providing PwBD certificate shall not be entertained under any circumstance.

SUPERNUMERARY SEATS

1. Sports Quota Applicants:

- (i) Provision of supernumerary seats under sports quota is only for those candidates who have actively participated at the university/state/national/international level sports activities recognized by Ministry of Youth Affairs, Govt. of India or as mentioned below at Sl. No. (v).
- (ii) Five percent (5%) of total intake in each program (only UG & PG) shall be filled by candidates belonging to the sports quota. The admission under this category shall be made in accordance with the guidelines issued by the University from time to time.
- (iii) Sports certificate of invitational/memorial/open/prize money league/ranking competitions will not be considered.
- (iv) Merit/participation sports certificate of preceding three years, i.e., from 1st July 2021 to 30th June 2024 will only be considered for the current academic session.
- (v) Applicants are required to upload self-attested copies of Merit/Participation Sports Certificates. Only the highest Merit/Participation Sports Certificate will be considered for granting weightage. The criteria for awarding weightage based on Sports Participation for granting admission to Undergraduate and Postgraduate Programmes for the academic year 2024-25 are as follows.

SL. NO.	Level of Competition	Certificate Issuing Authority	Maximum Marks out of 30			
			1 st Position	2 nd Position	3 rd Position	Participation
1	Represented India in Olympic Games/World Championships/ World Cups/ Commonwealth Games/Asian Games/ Asian	IOC/ISFs/CGF/OCA/SASC/IPC/IOA/NSF recognized and/or funded by the Ministry of Youth Affairs & Sports (MYAS)	Direct Admission			
2	Position and/or Participation in International Youth/Junior Competitions	International Sports Federation (ISF/NSF) recognized and/or funded by the Ministry of Youth	30	28	26	24
3	Position and/or Participation in National Games/ Federation Cup/ Senior National/ Inter-Zonal National/ National Competitions	IOA/NSF recognized and funded by the Ministry of Youth Affairs & Sports (MYAS)	22	20	18	16

4	Position and/or Participation in Under 19/17, Khelo India National School Games Under 17/Youth/ Khelo India University Games/ Junior National/National Women Sports Competition/Sub-Junior/ Cadet National Competition/Zonal	School Games Federation of India (SGFI)/NSF recognized and/ or funded by Ministry of Youth Affairs & Sports (MYAS)	14	12	10	9
5	Position in State Competitions/ State Women Sports Competitions/Inter-Zonal/Inter-District/ CBSE National/ KVS National/IPSC National/ ICSE National/ DAV National/NVS National/Vidya Bharti National Competitions	State Sports Association, State Directorate of Education/School Boards	8	7	6	5
6	Position in District/Zonal, CBSE-Cluster/Zonal, KVS/NVS - Regionaal, DAV/Vidya Bharti- Zonal, Subroto Cup, other School Board Competitions	District Sports Association, District/Zonal Regional Directorate of Education/School Boards	4	3	2	1

2. International Students:

In pursuance of the resolution taken by Standing Committee for Academic Council (SCAC) in its 4th meeting held on 29th May, 2023 and subsequent approvals accorded by the Academic Council and Executive Council in their meetings held on 2nd December, 2023 and 26th December, 2023 respectively :

- (i) 25% supernumerary seat for international students, over and above of sanctioned enrolment for undergraduate programs, has been provisioned.
- (ii) These supernumerary seats for international students will not include international students under exchange programmes or/and through Memorandum of Understanding (MoU) between institutions of Government of India and other countries.
- (iii) These 25% seats will be distributed among all departments, schools and centres of study in the University.
- (iv) If seats remain vacant, it shall not be allocated to anyone other than an international student.
- (v) International students in this context shall be defined as the one who shall possess a foreign passport.

(vi) Admission to these 25% supernumerary seats will be governed by guidelines/regulations issued by regulatory bodies relating to infrastructure, faculty and other requirements.

3. PM CARES Children Scheme:

In pursuance of UGC D.O. No. F. 2-39/2022 (CPP-II) dated 30th March, 2022 and resolution taken by Standing Committee for Academic Council (SCAC) in its 4th meeting held on 29th May, 2023 and subsequent approvals accorded by the Academic Council and Executive Council in their meetings held on 2nd December, 2023 and 26th December, 2023 respectively, 5% *supernumerary seats* in all programs (including special programs and excluding doctoral programs) shall be available for children who have PM CARES Children Scheme, 2021 certificate.

4. Kashmiri Migrants:

As per UGC D.O. letter no. 1-13/2010(CPP-II) dated 20th March 2018, the following will be extended to wards of Kashmiri migrants and Kashmiri pandits / Kashmiri hindu families (non-migrants) living in Kashmir valley for admission in higher educational institutions:

- (a) Relaxation in cut off percentage upto 10% subject to minimum eligibility requirement
- (b) Increase in intake capacity upto 5% program wise
- (c) Reservation of at least one seat in merit quota in technical / professional institutions
- (d) Waiving of domicile requirements

For availing this benefit, the eligible applicants are required to produce certificate issued by competent authority and produce on the date of counselling

5. Defence Quota Applicants:

Five percent (5%) supernumerary seats are sanctioned for widows/wards of the defence personnel killed/disabled in action or during peace time, with following priority:

- 1) Widows/wards of defence personnel/para-military personnel killed in action (Required Certificate: Proof in original)
- 2) Wards of serving defence personnel and ex-servicemen/para-military personnel disabled in action and boarded out from service (Required Certificate: Original disability certificate clearly indicating the disability is attributable to military services.).
- 3) Widows/wards of defence personnel/para-military personnel who died in peace time with death attributable to military service (Required Certificate: Original death certificate clearly indicating the cause of death is attributable to military service).
- 4) Wards of defence personnel/para-military personnel disabled in peace time with disability attributable to military service (Required Certificate: Original disability certificate clearly indicating the disability is attributable to military service).
- 5) Wards of serving defence personnel and ex-servicemen para-military including personnel of police forces who are in receipt of Gallantry Awards: Param Vir Chakra, Ashok Chakra, Maha Vir Chakra, Kirti Chakra, Vir Chakra, Shaurya Chakra, Sena, Nau Sena, Vayu Sena Medal, Mentioned-in-Dispatches (Required Certificate: Proof of Award in Original).
- 6) Wards of ex-servicemen (Required Certificate: Original ex-servicemen identity card/discharge book/PPO (Pension Payment Order).
- 7) Wives of : (i) defence personnel disabled in action and boarded out from service. (ii) defence personnel disabled in service and boarded out with disability attributable to military service. (iii) ex-

servicemen and serving personnel who are in receipt of Gallantry Awards. (Required Certificate: Proof of Award in Original).

- 8) Wards of serving defence personnel (Required Certificate: original service identity card and dependent card/certificate issued by competent authority).
- 9) Wives of defence serving personnel (Required Certificate: original service identity card and dependent card/certificate issued by competent authority).

Applicants need to produce/submit the required valid certificate on the date of counselling.

ANTI-RAGGING AFFIDAVITS

According to UGC guidelines and Orders of the Supreme Court of India, students admitted in any program of the University shall submit Anti-Ragging Undertaking in online mode.

Portal: <http://www.antiragging.in>

Students shall submit the print of registration slip generated from the portal to the admission office at the time of commencement of classes.

IMPORTANT NOTE

- (i) Applicants are advised to visit the University website regularly for latest information in respect of admission.
- (ii) Category declared in registration form by the applicant shall be considered final while preparation of merit list.
- (iii) Supernumerary quota is not applicable for Integrated B. Ed. and 2 year B.Ed. programs.
- (iv) Admission granted to candidates based on information furnished by applicants during online registration process will be purely provisional.
- (v) Information furnished by applicants will be verified by the Departmental Admission Committee/any other committee as notified by the University from time to time. The original documents should match with submitted documents at the time of physical verification. In case of any aberration or mismatch, candidature of the applicant shall be cancelled/rejected.
- (vi) Non-production of any document (as applicable on case to case basis) within stipulated time shall lead to cancellation of candidature.

ELIGIBILITY AND SEAT MATRIX

The University has established various departments of study, catering to the needs of teaching and research in disciplines of science, engineering, social science and humanities. The discipline-wise program details, intake and eligibility criteria are as follows:

INTEGRATED UG-PG PROGRAMS:

Sl.	Program	Eligibility
1	Integrated B.Sc. and M.Sc. in Mathematics	Passed 10+2 or equivalent examination in Science stream or equivalent with Mathematics as one of the optional subject having minimum 55% marks or equivalent grade in aggregate for General and EWS category and 50% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD categories.
2	Integrated B. Sc. and M.Sc. in Life Sciences	10 +2 or equivalent in science stream with biology as a compulsory subject at 10+2 level with a minimum of 55% marks or equivalent grade in aggregate for General and EWS category and 50% or equivalent grade in aggregate of SC/ST/ OBC (non-creamy layer)/ PWD categories.
3	Integrated B. Sc. and M.Sc. in Physics	Passed 10+2 or equivalent with a minimum 55% marks or equivalent grade in aggregate for General and EWS category and 50% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD in Science stream with Physics either as a compulsory or optional subject at 10+2 level.
4	Integrated B.Sc. and M.Sc. in Chemistry	Passed 10+2 or equivalent examination with Physics, Chemistry, Mathematics or Biology with minimum 55% marks or equivalent grade in aggregate for General and EWS category and 50% for SC/ST/OBC (Non-Creamy Layer)/PwD categories.
5	Integrated B.Sc. and M.Sc. in Geography	Passed 10+2 Science or equivalent examination with Physics, Chemistry, Biology, Geology or Mathematics with minimum 55% marks or equivalent grade in aggregate for General and EWS category and 50% for SC/ST/OBC (Non-Creamy Layer)/PwD.
6	Integrated B.Sc. and M.Sc. in Environmental Sciences	Passed 10+2 or equivalent examination with Physics, Chemistry, Biology or Mathematics with minimum 55% marks or equivalent grade in aggregate for General and EWS category and 50% for SC/ST/OBC (Non-Creamy Layer)/PwD categories.
7	Integrated B.A. and M.A. in Chinese	Passed 10+2 or equivalent examination in any stream with minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% or equivalent grade in aggregate for SC/ST/OBC (Non-Creamy Layer)/ PwD categories.
8	Integrated B.A. and M.A. in Korean	Passed 10+2 or equivalent examination in any stream with minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% or equivalent grade in aggregate for SC/ST/OBC (Non-Creamy Layer)/ PwD categories.

9	Integrated B.A. and M.A. in English	Passed 10+ 2 or equivalent examination in any stream with minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% for SC/ST/OBC (Non-Creamy Layer)/PwD categories.
10	Integrated B.A. and M.A. in Hindi	Passed 10+ 2 or equivalent examination in any stream with minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% for SC/ST/OBC (Non-Creamy Layer)/PwD categories.
11	Integrated B.A. and M.A. in Mass Communication	Passed 10+ 2 or equivalent examination in any stream with minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% for SC/ST/OBC (Non-Creamy Layer)/PwD categories.
12	Integrated B.A. and M.A. in Anthropology	Passed 10+2 or equivalent examination in any stream with a minimum of 50% marks or equivalent grade in aggregate for General and EWS category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD categories.
13	Integrated B.A. and M.A. in Political Science	Passed 10+2 or equivalent examination in any stream with a minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD categories.
14	Integrated B.A. and M.A. in Economics	Passed 10+2 or equivalent examination in any stream with a minimum 50% marks or equivalent grade in aggregate for General and EWS category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD categories.
15	Integrated B.A.-B.Ed.	Candidates with minimum 50% marks in senior secondary or plus two examination or its equivalent from a recognized board are eligible for the admission and relaxation of 5% to the SC/ST/PWD/OBC (Non-Creamy Layer) candidates.
16	Integrated B.Sc.-B.Ed.	Candidates with minimum 50% marks in senior secondary or plus two examination in science stream or equivalent from a recognized board are eligible for the admission and relaxation of 5% to the SC/ST/PWD/OBC (Non-Creamy Layer) candidates.
17	Integrated B.Com. - M.Com.	Passed 10+2 or equivalent examination with Commerce/Business Studies/Accountancy/Economics/Maths/Entrepreneurship as one of the subjects securing a minimum of 50% marks or equivalent grade in aggregate (5% relaxation in marks for SC/ST/OBC (non-creamy layer)/ PWD candidates).
18	Integrated B.Tech. in Metallurgical and Materials Engineering and M. Tech. in Metallurgical and Materials Engineering with specialization in Nanotechnology	Student should have secured at least 75% marks in 12th class or equivalent, or be in the top 20 percentile in the 12th class exam conducted by respective Board. For SC/ST students, the qualifying marks would be 65% in 12th class exam.

19	Integrated B.Tech. in Electrical Engineering and M.Tech. in Electrical Engineering with specialization in Energy Engineering	Student should have secured at least 75% marks in 12th class or equivalent, or be in the top 20 percentile in the 12th class exam conducted by respective Board. For SC/ST students, the qualifying marks would be 65% in 12th class exam.
20	Integrated B.Tech. in Civil Engineering and M.Tech. in Civil Engineering with specialization in Water Resource Engineering / Transportation Engineering	Student should have secured at least 75% marks in 12th class or equivalent, or be in the top 20 percentile in the 12th class exam conducted by respective Board. For SC/ST students, the qualifying marks would be 65% in 12th class exam.
21	Integrated B.Tech. in Computer Science and Engineering and M.Tech. in Computer Science and Engineering with specialization in Machine Learning and Data Science	Student should have secured at least 75% marks in 12th class or equivalent, or be in the top 20 percentile in the 12th class exam conducted by respective Board. For SC/ST students, the qualifying marks would be 65% in 12th class exam.

POSTGRADUATE PROGRAMS

Sl.	Program (Subject)	Degree	Eligibility for the Program
1	Geoinformatics	M.Sc.	Bachelor's degree in Science/ Engineering/ Technology/ Architecture/ Town planning/ Statistics/ Geography/ Archaeology and any other allied/ relevant areas and allied disciplines with 55% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 50% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD.
2	Statistics	M.Sc./ M.A.	Bachelor's degree in Science/Arts with Statistics/ Mathematics as Honours/ Elective with 55% marks or equivalent grade in aggregate for Unreserved/EWS Category and 50% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD category students.
3	Commerce	M.Com.	Bachelor's Degree in Commerce, BBA, BBS with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD category students OR Bachelor's Degree in B.Voc programme who have studied at least 2 courses in commerce/ business management with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD category students.
4	Masters in Business Administration (MBA)	MBA	Bachelors Degree of minimum 3 years duration in any discipline with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD category students.
5	Education	B.Ed.	Bachelor's Degree and/or Master's Degree in Sciences/ Social Sciences/Humanities with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% marks or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD or equivalent grade or Bachelor's in Engineering or Technology with specialization in Science and Mathematics with 55% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 50% marks or equivalent grade in aggregate for SC/ST/OBC(non-creamy layer)/ PWD or any other qualification equivalent thereto.
6	Vocal Music	MPA	Bachelor's Degree in Performing Arts/ Music or Bachelor of Arts in any discipline with Prabhakar/ Sangeet Visharad / Sangeet Shiromani Diploma or equivalent) with a minimum of 45% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 40% or equivalent grade in

			<p>aggregate for SC/ST/OBC (non-creamy layer)/ PWD.</p> <p>Note: Selection will be done on the basis of audition along with the entrance examination. Candidates who fail to attend the audition will not be considered for admission irrespective of the marks secured in written exam.</p> <p>Weightage: 60% for written exam and 40% for audition.</p>
7	Theatre Arts	MPA	<p>Bachelor's degree in any discipline with a minimum 45% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 40% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/ PWD. Experience in theatre or any performing art will be an added advantage.</p> <p>Note: Selection will be done on the basis of performance of a dramatic passage along with entrance test. Candidates who fail to turn up for performing the dramatic passage will not be considered for admission irrespective of the marks secured in written exam.</p> <p>Weightage: 60% for written exam and 40% for performance.</p>
8	Tibetan language	M.A.	<p>Bachelors' Degree in any discipline with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/PWD.</p>
9	Political Science with specialization in International Relations	M.A.	<p>Bachelors' Degree in any discipline with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/PWD.</p>
10	Geology	M.Sc.	<p>Bachelor of Science (Hons./Major) in Geology with a minimum of 55% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 50% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/PWD.</p>
11	English	M.A.	<p>Bachelor of Arts in English or equivalent exam (English Literature, Communicative English, Linguistics) with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/PWD.</p>
12	Public Administration	M.A.	<p>Bachelor's Degree in any discipline with a minimum of 50% marks or equivalent grade in aggregate for Unreserved/ EWS Category and 45% or equivalent grade in aggregate for SC/ST/OBC (non-creamy layer)/PWD.</p>

DOCTOR OF PHILOSOPHY (Ph.D.)

Minimum Eligibility:

Candidates must have Master's Degree or Professional Degree in relevant area declared equivalent to Master's Degree by corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled and other categories of candidates as per the decision of the UGC from time to time, or for those who had obtained their Master's degree prior to 19 September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace mark procedures.

Candidates possessing degree considered equivalent to M.Phil. degree of an Indian institution, from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, shall be eligible for admission to Ph.D. program.

PROGRAM SPECIFIC ELIGIBILITY CRITERIA AND INTAKE FOR SESSION 2024-25

Sl.	Department Name	Program Name	Program Specific Eligibility Criteria (read with Minimum Eligibility)
1	Department of Metallurgical and Materials Engineering	Ph.D. in Metallurgical and Materials Engineering	Master Degree (M.E./M. Tech./Integrated M. Tech.) in Material Science and Engineering, Nanoscience and Nanotechnology/ Nanotechnology/ Mechanical Engineering/ Chemical Engineering/Electrical Engineering/ Ceramic Engineering/ Metallurgical Engineering/ Metallurgical and Materials Engineering/ Electronics Engineering or any other relevant branch of Engineering and Technology OR Master degree (M.Sc.) in Material Science Nanoscience/Nanoscience and Technology or any allied subject.
2	Department of Energy Engineering	Ph.D. in Energy Engineering	M.E/ M. Tech in Energy, Mechanical, Electrical, Electronics, Chemical Engineering, Engineering Physics, Nanoscience and Nanotechnology, Materials Science or equivalent OR M.Sc. in Physics, Chemistry, Nanoscience and Nanotechnology, Materials Science or equivalent.
3	Department of Civil Engineering	Ph.D. in Civil Engineering	For Area of Specialisation in Water Resources Engineering: M. Tech. in Civil Engineering/Agriculture Engineering/ Environmental Engineering/ Hydrology/Water Resources/ Irrigation and Drainage Engineering/Soil and Water Conservation Engineering/ Water Science & Technology or Integrated M. Tech in Water Engineering & Management.

			For Area of Specialization in Transportation Engineering: M. Tech in Geotechnical Engineering, Transportation Engineering/ Transport Science and Technology, Civil Engineering, Environmental Engineering or Environmental Science and Engineering.
4	Department of Computer Science and Engineering	Ph.D. in Computer Science and Engineering	Master's Degree in Computer Science/ Computer Science and Engineering/Computer Engineering/Computer Science and Technology/ Information Technology/Computer Applications.
5	Department of Chemistry	Ph.D. in Chemistry	Master's or M. Phil. Degree in Chemistry/Applied Chemistry.
6	Department of Physics	Ph.D. in Physics	Master's or M. Phil. Degree in Physics/Applied Physics or equivalent
7	Department of Geoinformatics	Ph.D. in Geoinformatics	M. Tech/ M.Sc. degree in Geoinformatics/ Remote Sensing/ GIS/ Geomatics / Geospatial Sciences OR At Post Graduation level have studied at least two papers in Geoinformatics/ Remote Sensing/ GIS/ Geomatics/ Geospatial Sciences. OR PG Diploma in Geoinformatics with Master or equivalent degree in Science/ Engineering/ Technology/ Architecture/ Town planning/ Statistics/ Geography/ Geology/ Archaeology/ Health & biosciences, and any other allied/ relevant areas.
8	Department of Environmental Sciences	Ph.D. in Environmental Sciences	M. Sc./ M.Sc. (Tech) / M. Tech. in Environmental Sciences/ Environmental Science and Engineering/Environmental Engineering/Atmospheric Science/ Earth Science/ Geology/ Biological Sciences/ Plant Sciences/ Life Sciences/ Agriculture/ Forestry or in a cognate / allied subject.
9	Department of Life Sciences	Ph.D. in Life Sciences	Masters in Life Science/ Bio Science/ Botany/ Plant Sciences/ Animal/ Sciences/ Zoology/ Biotechnology/ Biochemistry/ Microbiology/ Genetics with specializations or major as desired. Available Specialization are: (1) Agriculture Microbiology/ Soil Microbiology/ Microbiology, (2) Animal Molecular Biology/ Cell Biology/ Genetics/ Biochemistry, (3) Molecular Cell Biology (Cancer Biology).
10	Department of Performing Arts	Ph.D. in Performing Arts (Theatre Arts)	Master's in Theatre Arts (MPA theatre Arts)/ Drama.
11	Department of English Studies	Ph.D. in English Studies	Master's in English/ Linguistics.
12	Department of Anthropology and Tribal Studies	Ph.D. in Anthropology and Tribal Studies	Master Degree in Anthropology / Sociology / Folklore / Tribal Studies / Law / Human Rights / Social Work / Tribal Law and Governance / English / Comparative Literature / Indigenous Culture Studies / Media Studies / History and Archaeology / Rural Development / Tribal Development / Gender Studies / Women Studies / Semiotics / Philosophy / Religion Studies / Development Studies / Cultural Studies / Tribal Language Performance Studies.

13	Department of Far East Languages	Ph.D. in Tibetan language and Culture	Master's Degree in Tibetan Language and Literatures, Tibetan Studies, Buddhist Studies, Tibetan Buddhist Studies, Himalayan Studies. Specialization: Tibetan Language, Literature, Tibetan/ Buddhist Studies.
14	Department of International Relations	Ph.D. in International Relations	Master's degree in International Relations/ Political Science/ Public Administration/ Development Studies/ Human Rights or any other allied discipline of Social Sciences.
15	Department of Business Administration	Ph.D. in Management	MBA or PGDBM - (Equivalent to MBA from recognized AICTE Institution).
16	Department of Commerce and Financial Studies	Ph.D. in Commerce	Master's Degree in Commerce or Business Management.
17	Department of Education	Ph.D. in Education	Master's Degree in Education/M. Ed.
18	Department of Mathematics	Ph.D. in Mathematics	Master's or M. Phil. Degree in Mathematics /Applied Mathematics or equivalent
19	Department of Geography	Ph.D. in Geography	M.A./ M.Sc. degree in Geography
20	Department of Statistics	Ph.D. in Statistics	M.A/ M.Sc. in Statistics from any recognized University

TRAINING AND PLACEMENT CELL IN MEDIA

CENTRE OF INNOVATION, INCUBATION AND ENTREPRENEURSHIP (CIIE)

Central University of Jharkhand (CUJ), since its inception in 2009, has promoted the culture of innovation and research. It has a Research and Development (R&D) Cell to develop an inclusive and supportive environment for boosting this culture. With the changing times of innovation and its demand, CUJ has made a number of moves including the institution of Centre of Innovation, Incubation and Entrepreneurship (CIIE) as per the norms of Ministry of Education, Govt. of India in 2018-19.

The Centre under the guidance of R&D Cell incubates new ideas of research and innovation.

OFFICE OF DEAN STUDENTS WELFARE (DSW)

The Office of DSW is spearheaded by Dean Students Welfare and supported by Associate Deans of Student Welfare, Sports Officer, Administrative Wardens, Wardens, Administrative Officer and support staffs. The office performs the overall supervision of hostels, sports and extra-curricular activities, NSS, NCC and scholarships offered by various agencies.

HOSTELS:

The University provides hostel facility to facilitate meritorious students from far off places and heterogeneous back-ground to devote adequate time to their studies and development without worrying about their fooding and lodging, and also facilitate students' interaction among themselves, learn about the culture and diversity of India and became a good citizen firmly believing in the unity and diversity of India. The day-to-day management of hostels are governed by administrative wardens and wardens under the overall supervision of DSW. However, it must be noted that due to infrastructural constrains, seats available in hostel are limited and the university does not guarantee a seat in hostel after admission.

FACILITIES IN HOSTEL:

- Each room is furnished with light, fan, plug points, bed, study table, chair and cupboard.
- Occupancy of hostel is double or triple depending upon the level of program of study.

HOSTEL ALLOTMENT:

The following criteria are used for hostel allocation (girls and boys)

- a. Merit in entrance examination.
- b. Hostel Reservation Policy: Other Backward Classes (OBC NCL) 27%, Scheduled Castes (SC) 15%, Scheduled Tribes (ST) 7.5%, Economically Weaker Section (EWS) 10% of the total seats. Person with Benchmark Disability (PwBD) 5% (horizontal).

CAMPUS HOSTEL (MALES)

CAMPUS HOSTEL (FEMALES)

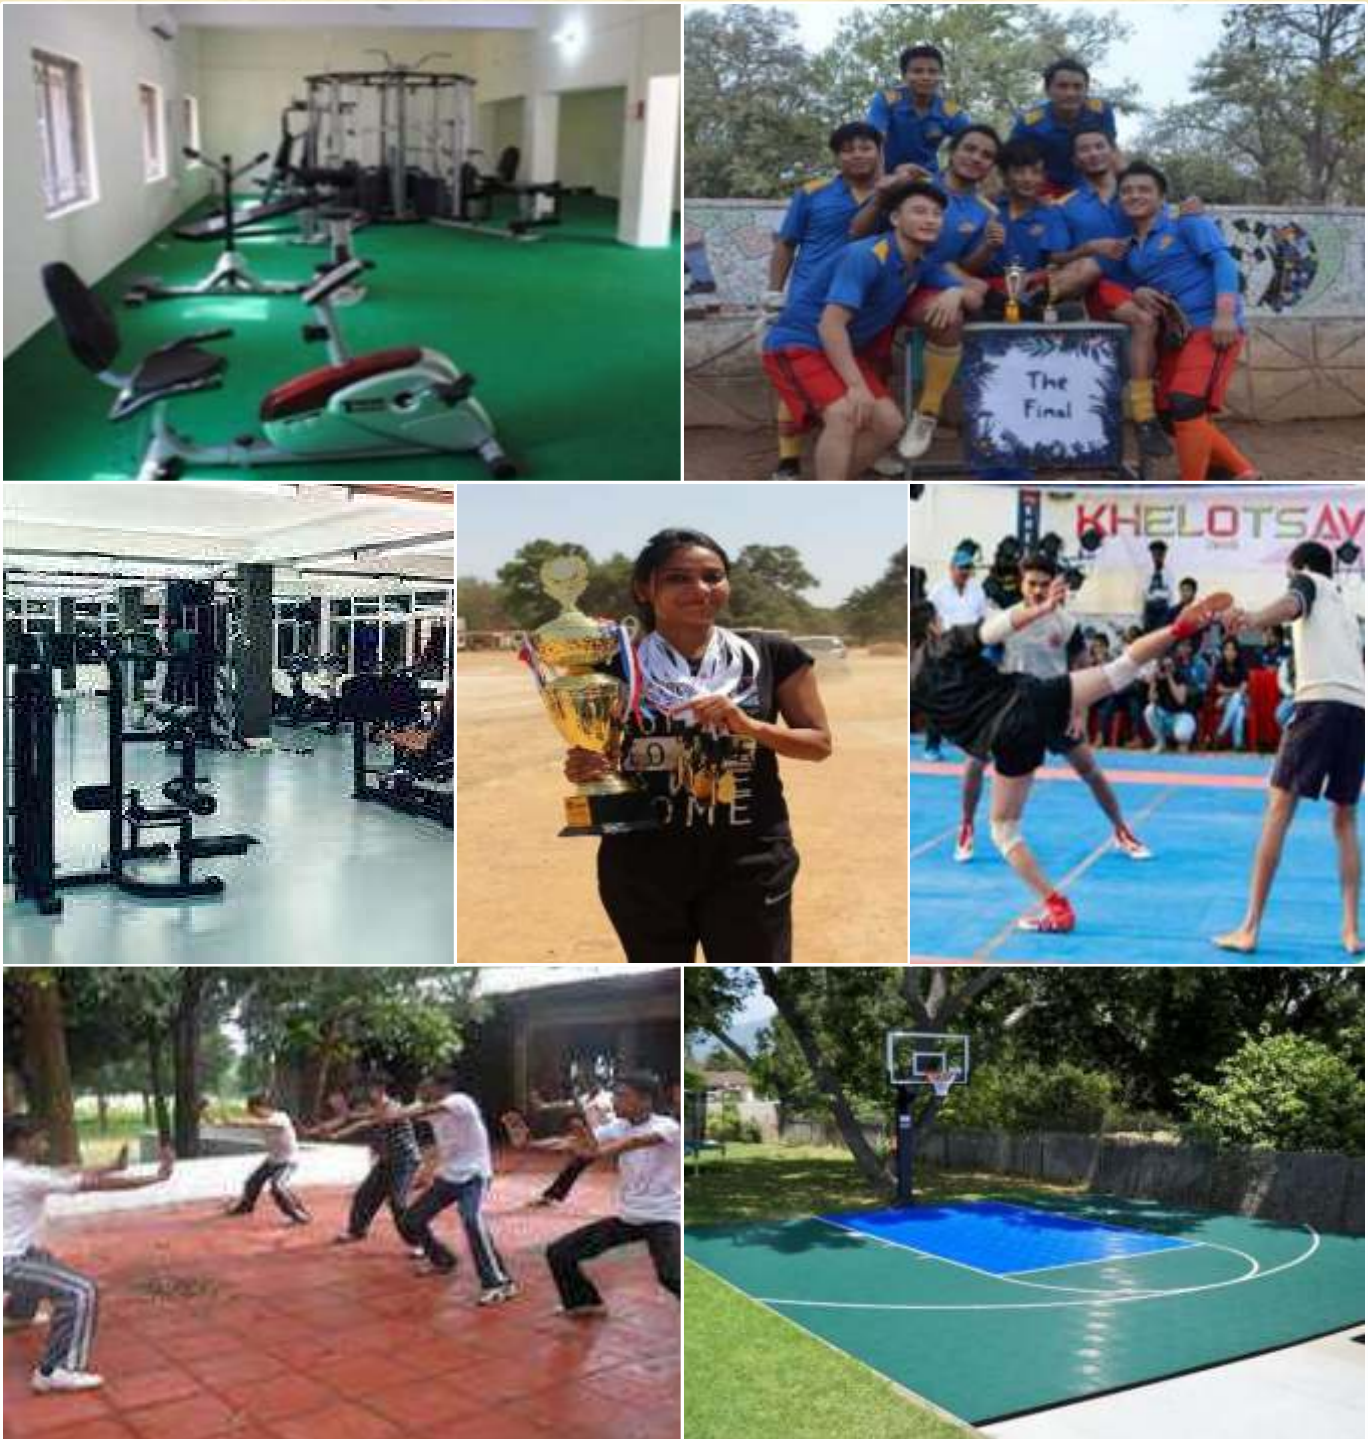

SPORTING ACTIVITIES

All sporting activities in the University campus are conducted under the supervision of University Sports Committee and Sports in-charge. Their function is to select the best sportsperson to form the University team and train them by organizing various sports camps in order to nurture them for participating enthusiastically in different competitions. Every year the University organizes sports fest for students.

GAMES:

Football, Cricket, Wushu, Badminton, Volleyball, Athletics, Field and Track Events, Kabaddi, Yoga, Table Tennis, Carrom, Chess and Trekking.

EXTRA-CURRICULAR ACTIVITIES

The University believes in holistic development of students and in order to make it happen, co-curricular and extra-curricular activities are organized in the University on various occasions like Constitution Day, International Yoga Day, Ozone Day, Environment Day, Water Day, Earth Day etc.

COMPUTER LABS

The University has multiple computer and language labs with more than 500 terminals. These systems cater to the needs of different academic departments of the University.

BANK AND ATM FACILITY

The university has dedicated banking facility within the campus provided by Punjab National Bank. The bank has an ATM and provides other facilities such as savings account, RD account and student loan facility etc.

HEALTH CENTRE

The University has a health centre for its students, faculty members and non-teaching staffs. It has doctors, nurse, pharmacist and medical attendant. Facilities like in-patient ward, drip facility, blood test and blood pressure testing are available. For emergency services, there is 24x7 ambulance facility available in the campus.

TRANSPORTATION

The University provides paid transport facility for commuting of students, faculty and staffs.

MESS AND CANTEN FACILITIES

The University has mess and canteen facility for its students, faculty and staffs at affordable price.

OTHER WELFARE BODIES

PROCTORIAL BOARD

Central University of Jharkhand has a Proctorial Board consisting of Chief Proctor and Members of the Board. The Chairperson of the proctorial board heads the proctor office. The office deals with any emerging matters related to students discipline, crisis management and emergency preparedness, including developing contingency plans, coordinating emergency drills and responding effectively to critical incidents. The University is committed to maintain cordial atmosphere and address social and cultural issues that impact campus environment, such as discrimination, harassment, and violence on campus. The office works with stakeholders to promote diversity and equity to create a safe and inclusive campus environment for all.

INTERNAL COMPLAINTS COMMITTEE

Gender equity, including protection from sexual harassment and right to work with dignity is a universally recognized basic human right. The University has an Internal Complaints Committee to look into any such matters.

ANTI-RAGGING COMMITTEE

The University has endeavoured to be a ragging-free campus. The University has an Anti-Ragging Committee as well as Anti-Ragging Squad to deal with instances of ragging in the campus.

STUDENTS GRIEVANCE REDRESSAL COMMITTEE

A Grievance Redressal Committee is in place to redress the grievance of students in the campus.

SC/ST CELL

The SC/ST Cell exists in the University as per UGC guidelines. The Cell specifically focuses on ensuring the welfare of SC/ST students. The main aim of the Cell is to monitor and ensure that guidelines issued by the Ministry of Education and University Grants Commission are effectively followed.

OTHER BACKWARD CLASSES (OBC) CELL

The main objective of OBC Cell is to implement, monitor and evaluate reservation policy in the University and plan measures for ensuring its effective implementation as per Government of India and UGC norms.

EQUAL OPPORTUNITY CELL

The Equal opportunity cell has been established in the University with the objective to help and empower persons with disabilities, and to enable them to participate fully in the academic, intellectual, social and cultural life of the University on an equal basis. This cell aims to promote diversity and inclusive practices on the campus and provide the disadvantaged groups with adequate opportunities.

LEARNING RESOURCES AND INFRASTRUCTURE

ICT SUPPORTED SMART CLASSROOMS

The classrooms are equipped with interactive multi-functional boards and ICT related infrastructure for teaching and learning.

FEEDBACK SYSTEM

The University has put in place a robust feedback system viz., student feedback, faculty feedback and industry feedback. Students are encouraged to provide feedback about the teaching-learning activities of the University. The feedback is taken into consideration in framing syllabus and to improve teaching-learning process as far as practicable.

MENTORING FACILITY

In day-to-day teaching, faculty members play vital role as mentor for guiding students in their academic and related activities, to groom them as good citizens. Students are mentored by faculty members in areas of examination, classroom learning, job placement, higher studies, research and personal counselling.

STUDENTS SUPPORT SERVICES CELL

The University has Students Support Services Cell (SSS Cell) to counsel students during admission, before going field work and career counselling. Students are assisted in their placement as well, by this cell.

OUTREACH ACTIVITY

The University in fulfilling its social responsibility, runs free remedial coaching classes for NET and GATE. The University is also running "UNNAYAN" Program in which free tuition classes are arranged for students of class I to XII of neighbouring villages. The students of the University extend their cooperation as Volunteer Teachers for them.

STUDENT INDUCTION PROGRAMME

In order to acquaint students with academic and administrative functioning of the University, an Induction Program is organized every year at the beginning of each academic session. The Vice Chancellor and other senior faculty members of the University address the newly admitted students. The students are briefed about program structure, university facilities, policies and procedures regarding examination, attendance, discipline etc. in this induction programme.

EVALUATION AND GRADING PROCESS

The University follows continuous evaluation system in which students' performance in academic activities are assessed through three sessional tests which may include assignments, quiz, minor projects, term paper and book review. In addition to it, term end examinations are conducted. In order to appear in end term exam, students must appear in two sessional exams and secure minimum 75% attendance in each course. The grading system is based on grade points leading to SGPA for semester and CGPA for the program.

DISCLAIMER
