ACTION TAKEN NOTICE

This is with reference to the feedback from alumni of the University for the Academic Session 2023-2024. As the suggestions received from the alumni, the actions were taken by the university. The university has identified the short term and long term goals and accordingly each issue related to suggestion has been resolved. All the departments and schools have been asked to work on the issues related to them. The office has acted upon the given suggestions as mentioned below.

- Infrastructure development is also happening at full swing. Two fully functional AC auditoriums are developed. Library has acquired new books and is in the process of becoming fully automatic with solar panels. Multimedia Studio and Community Radio are in the process of becoming functional for different purposes including MOOCs development. Extension of administrative building is in the process. Fully-furnished rooms for the guests have been arranged in the permanent campus. Internet services are regularized. Computer lab of 200 capacity established in the University for the Departments of science/engineering, university and NTA purposes.
- Completed three years of implementation of NEP-2020.
- Most of the vacant faculty positions have been filled. The CAS promotions of 35 faculties have been done and other pending CAS promotions are in the process.
- Collaboration and MOU with CCL and universities of South Korea have been done.
- Two new buses acquired are sponsored by CCL and one ambulance is in the process of acquiring.
- Alumni cell and placement cell have been made active with regular training activities and inviting companies for campus selection. Departmental placement representatives are identified in each department and they are performing their task.
- Issues of exam section have been resolved. The Convocation has been regularized.
- A separate Research and Development section has been created for taking care of issues related to it. Upgradation of laboratory, Central Instrumentation Facility and separate building for science has become fully functional. No. of projects and publications in reputed journals have increased.
- Health and wellness programmes have been prioritized in post-Covid-19 time by collaborating with different hospitals and conducting regular health camps.
- The university is promoting different extra-curricular activities and student centric activities like celebrating the festivals of each state with special focus on the festivals of Jharkhand.
- University is actively posting its activities/achievements on social media and university website.
- The university has shifted majority of the departments to the permanent campus.
- Rest of the issues are also being addressed on priority basis.

Director
Internal Quality Assurance Cell

Dear Sir,

The feedback from alumni of the University for the Academic Session 2023-2024 was collected about the university and the collected feedback was analyzed. The alumni suggested in the feedback the following major actions to be taken by the university as recognized under broader themes mentioned below:

1. Full-fledged Infrastructure Development in the University.
2. Innovative Course and Curriculum Development and NEP Integration.
3. Solving the Issues related to Administration, Faculties and Staff.
4. Providing Internship, Placement and Industry Collaboration.
5. Development of Research Environment and Facilities in the University.
6. Organizing Academic, Extra-curricular and Student-centric Activities.
7. Developing Green Campus.
8. Shifting to Permanent Campus.
9. Developing Learning Management System.
10. Prioritizing Health and Wellness Programmes.
11. Promotion of CUJ at different platforms.
12. Fee Waiver and Scholarships for underprivileged students.
13. Actively Engaging the Alumni for the development of the university.

You are requested to take the above-mentioned actions at the earliest and communicate to IQAC for further action. The alumni feedback report with detailed suggestions for each department and the whole university is attached for your reference.

regards, *R.K. Dey*
