Dated: 29/08/2025

## NOTIFICATION

It is mandatory for all the students to create their APAAR ID. As already initiated by the office of the Dean, AA, all Departments have started the process of APAAR registration process for by all the students.

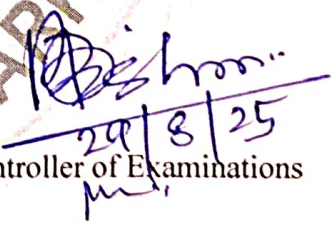

However, as per the latest discussion with the Dean, AA, it is understood that still many students have not yet created their APAAR ID.

As per the latest Samarth guidelines endorsement of APAAR ID is mandatory by each student during their course registration, exam registration, appearing in the end semester examination and also for the declaration of the results.

In view of the above, all the HoDs/Coordinators are requested to kindly ensure completion of APAAR registration processes by all the students of their departments at the earliest.

All the HoDs/Coordinators are also informed to kindly ensure while the students will fill up their examination registration forms before each End Semester examination, they should mention their APAAR ID. If no APAAR ID is filled up then Samarth will not be able to process the result work and the Semester Grade sheet and other certificates will not be generated.

This should be given top priority.
