"Best Poster Presentation Award" given to Mr. Anshu Kumar, Research Scholar from the Department of Electrical & Energy Engineering, CUJ at AMRIT-2026, IIT (ISM) Dhanbad

Central University of Jharkhand congratulates **Mr. Anshu Kumar**, a Research Scholar from the Department of Electrical & Energy Engineering, under the supervision of **Dr. Basudev Pradhan,** for securing the **Best Poster Presentation Award** under Theme 1: *Material Design and Synthesis* at the National Conference on Advanced Materials for Research, Innovation and Technology (AMRIT-2026).

Mr. Anshu Kumar presented his research work entitled *"**Characterization of Silver Bismuth Sulfide ($AgBiS_2$) Thin Film and Its Optoelectronic Applications**."* The two-day national conference, organized by the **Department of Physics, Indian Institute of Technology (Indian School of Mines), Dhanbad**, was held on **13-14 November 2026** and witnessed more than 50 poster presentations, providing a platform for researchers and academicians to showcase their scientific contributions and exchange research ideas.

This achievement highlights the Department of Electrical & Energy Engineering, Central University of Jharkhand's research excellence and academic contributions in advanced materials and sustainable optoelectronic applications.
