

Mr. Bipradeep Mondal, a Research Scholar & Senior Research Fellow, NFSC, UGC, Govt. of India from the Department of Environmental Sciences (DEVS) at the Central University of Jharkhand, has secured the "**Best Presentation Award**" on Day 4 at the 4th International Student Conference on Medical Geology and Environmental Health (South Asia Edition 2025).

Under the supervision of **Dr. Nirmali Bordoloi** (Supervisor of the scholar & Assistant Professor, Department of Environmental Sciences, Central University of Jharkhand) and Prof. Jayanta Kumar Biswas (Co-Supervisor of the scholar; Professor & Head of Department of Ecological Studies, University of Kalyani, Kalyani, West Bengal, India), Mr. Bipradeep presented his research entitled “Synergistic Stabilization of Paddy Straw Biochar: A Comparative Analysis and Techno-economic Modelling of Organic Amendments for Sustainable Field Application”. The prestigious event, held in virtual mode between 24th and 29th November 2025 and organized by RTM Nagpur University in collaboration with Springer Nature and SEGH, featured over 500 participants and 71 oral presentations from 27 countries. This achievement highlights CUJ's commitment to excellence in global environmental research.
