Ranchi, Jharkhand-835222, India**

## Conference Focus

The conference focuses on examining the evolving framework of Goods and Services Tax (GST) in India, with particular emphasis on **GST 2.0** and its sectoral implications. It seeks to critically assess the impact of GST reforms on economic growth, fiscal federalism, compliance, and revenue performance. The conference provides a platform for academicians, researchers, policymakers, and practitioners to engage in informed discussions on strengthening India's indirect tax regime for inclusive and sustainable growth.

## Objectives

To critically examine the evolving framework of next-generation GST reforms (GST 2.0) and assess their sectoral implications for economic growth, fiscal federalism, compliance, and governance, with a view to generating actionable policy insights for inclusive and sustainable development in India.

## Abstract & Paper Submission Guidelines

Scholars and practitioners are invited to submit abstracts and full papers related to the broad themes & sub-themes of the conference. Papers falling under allied and interdisciplinary themes relevant to GST reforms and economic policy are also welcome.
