#### About The Central University of South Bihar, Gaya

Central University of South Bihar established in 2009 through Central Universities Act 2009 of Parliament is committed for quality education and frontline research with a motto 'Gyan Sewa Vimuktaye'. The university is conducting its administrative and academic activities on a 300-acre sprawling clean and green campus situated on the land of Vishnu and Budha at Gaya, Bihar. With 25 Departments under 12 Schools and 6 dedicated centres, the university is progressive to carve a niche in higher education. Recently, it has been accredited with **Grade A** by NAAC and also approved a **Category-I** University status by UGC New Delhi.

#### About The Central University of Jharkhand, Ranchi

The Central University of Jharkhand was established through the Central University Act, 2009. It envisions to be a flagship university firmly rooted in Bharatiya culture and its rich spiritual legacy, fostering an open, rational and scientific temperament for a better world. It has state-of-the-art facilities and internationally renowned faculties committed to serve the tribal populated land of Jharkhand. The university has 24 departments and two specialised research centres, Centre for Excellence for Green and Efficient Energy Technology and Centre for Endangered Languages.

#### About the Malaviya Mission of Teachers Training Centre (MMTTC)

Teachers shape the future of our children - and, therefore, the future of our nation. So, teacher must be at the centre of the fundamental reforms in the Bharat-Centric education system. In this regard, UGC-HRDCs and PMMMNMTT centers contributed immensely towards professional development of the teachers of Higher Education Institutions (HEIs). In the context of progressive world and global economy, Continuous Professional Development (CPD) of faculty in all disciplines is required to fulfill the need and aspiration of society and nation. In order to achieve the target of NEP 2020 and keeping in view the optimal utilization of infrastructure, financial, and human resource, the Ministry of Education, Govt of Bharat has launched the 'Malaviya Mission-Teachers Training Centres' (MMTTCs) on 5th September 2023 (Teachers' Day) to strengthen the synergy and integration between HRDCs and PMMMNMTT centres.

#### About the Programme

In the context of an ever-changing world and global economy, Bharatiya Education System needs to be revamped and reenergized to prepare the responsive citizens for dealing with rapid change and unexpected circumstances as well as cater the need of 21st century learners. Ergo, NEP

2020 introduced by the Ministry of Education, Govt of Bharat on 29th July 2020 to transform the education system across the entire spectrum of education considering socio-economic, geographical and other disparities. It seeks to instil among learners a rootedness and pride in Bharat, and its rich knowledge systems and traditions. **Bharat Centric Education** is the judicious blend of 'Bhartiya Gyan Parampara' and 'Modern Education System' develops a sense of respect towards fundamental duties, constitutional values and a conscious awareness of one's roles and responsibilities that helps to make a more inclusive, equitable, cohesive, responsive, productive society that helps to transform India as 'Atmanirbhar Bharat'. Hence, in order to achieve the aim of NEP 2020 and achieving SDGs, collaborative efforts of HEIs and different prestigious institutions are highly expected to orient and sensitize the faculty members of HEIs towards NEP 2020 and its effective implementation across the country. For achieving the said targets, CUSB & CUJ both are committed to develop a robust mechanism for academic as well as research ecosystem for impactful and sustainable outcomes.

Referring to the above context, MMTTC, CUSB Gaya in collaboration with CUJ Ranchi, is going to organize the Faculty Development Programme titled "**National Education Policy 2020 Orientation and Sensitization Programme**" for faculty members & Research Scholars of Higher Education Institutions.

#### Objectives of the Programme

1. To impart holistic education, imbibing the ideals of Bharat-centric ethics and human values.
2. To acquire the concept of Bharatiya Jnana Paramapara and apply it in real life for the advancement and creation of knowledge.
3. To generate new ideas/materials with a multidisciplinary and cross disciplinary approach.
4. To develop critical thinking and problem solving skills in a socio-cultural milieu
5. To solve local, national, and global problems through innovation and entrepreneurial skills.

#### Themes

1. Holistic and Multi disciplinary Education
2. Bharatiya Knowledge Systems
3. Academic Leadership, Governance, and Management
4. Higher Education and Society
5. Research and Development
6. Skill Development
7. Student Diversity and Inclusive Education
8. Information and Communication Technology
9. Autonomy to the Institution and Choice to the Students
10. Curriculum, Development, Pedagogy and Assessment
