ABOUT
CENTRAL UNIVERSITY OF JHARKHAND

🔍 **CENTRAL UNIVERSITY OF JHARKHAND**

The Central University of Jharkhand was established through the Central University Act, 2009. The University started with a vision to specially focus on relevant present age educational drives with an emphasis on research in cutting edge technologies.

ABOUT DEPARTMENT

Department of Computer Science and Engineering, established in the year 2018, is at the heart of the Central University of Jharkhand, preparing graduates for career leadership; taking up interdisciplinary research in academia and high technology industry responsibilities alike. The department of Computer Science and Engineering started with the vision to pursue digital transformation of the social, geographical and economic landscape, narrowing the gap of conventional wisdom through computing interfaces.

CALL FOR PAPERS

We invite well-researched original papers from academia, research scholars and students for presentation (Offline/Online) Mode at the Seminar.
